

Special Programs

Start South Dual Enrollment Program

Start South is the dual enrollment/early college program. It is open to high school sophomores, juniors, and seniors in the state of Alabama. Courses can be used to satisfy degree requirements at USA, or they can be transferred to other institutions. Coursework is offered online, on campus, and on the high school campus when available

Academic Requirements:

Applicants must have authorization from their high school, and they must have earned at least a "B" (3.0 on a 4.0 scale) average in academic subjects. Tests scores are not needed for admission, but may be needed for math and English placement.

Alabama residents participating in Start South can qualify for automatic admission to USA if they complete 9 or more credit hours of USA coursework listed by August 15 of senior year and earn a minimum cumulative 3.0 USA GPA. Start South students also receive priority housing for entering freshmen upon earning 9 or more credit hours with a minimum 3.0 GPA by December of the senior year of high school.

College Of Medicine Early Acceptance Program (EAP)

Qualified high school seniors are selected for acceptance to the University and to the University of South Alabama College of Medicine. Candidates selected for the program enter the Health Pre-Professions Program at USA; their curriculum will include core requirements for the selected baccalaureate program and prerequisites for matriculation in medical school. Students participating in the College of Medicine Early Acceptance Program must meet program requirements during their tenure as undergraduates to continue in the program. Upon successful completion of the baccalaureate degree and EAP requirements, students enter the University of South Alabama College of Medicine.
