

Nursing (BSN) - Traditional

Degree Requirements

The BSN program prepares graduates for professional nursing practice. Upon completion of the program graduates are eligible to apply for the National Council Licensure Examination (NCLEX) to become licensed as a Registered Nurse.

The BSN program is offered in a traditional four-year format with nursing courses concentrated in the junior and senior years. The BSN program is also offered in an accelerated format and there is a special track for Associate Degree and diploma prepared nurses.

BSN Program Learning Outcomes

Upon completion of the Baccalaureate Program, graduates should be able to:

1. Deliver professional nursing care for diverse populations across the lifespan to optimize health care outcomes.
2. Apply theory and evidence from contemporary nursing science and related disciplines as a basis for clinical reasoning, management, and evaluation of professional nursing care.
3. Model responsibility and accountability for one's personal and delegated nursing care and lifelong learning to ensure excellence in nursing practice.
4. Translate evidence into professional nursing practice to individualize patient care designed to improve care outcomes.
5. Select principles of leadership and management that guide nursing, influence health policy, and transform health care delivery systems.
6. Collaborate with inter-professional health care teams and consumers in delivering and advocating for safe and effective use of health care resources.
7. Integrate professional nursing values in meeting current and emerging health needs in a dynamic, global society.
8. Evaluate effective use of technology and information management to provide patient centered care across the lifespan in a variety of environments.

Director, Academic Advising	Mary Phillips
Academic Advisors	Jennifer Bouvier, Leigh Holland, Brennen Mallet, Camry McCants, Brenda Mosley, Kim Mundy, Kristyn Seawell

College of Nursing web site

<http://www.southalabama.edu/colleges/con/>

The College of Nursing is dedicated to the education of professional nurses who provide the highest quality health care to the communities they serve. The practice of nursing is both an art and a science; the focus of nursing is the diagnosis and treatment of human responses to actual or potential health problems.

The College of Nursing has two locations, one is on the USA main campus, and the other is on the USA Baldwin County campus in downtown Fairhope. The resources of the University, the USA Hospitals and clinics, and the numerous clinical agencies provide excellent opportunities for students to acquire the knowledge and skills essential for professional nursing.

Mission

The mission of the College of Nursing is to provide quality innovative educational programs to a diverse student body, to participate in research and scholarly activities, and to provide service to the University, the profession, and the public. The College accomplishes this by providing a caring, engaging environment for the empowerment of student learning potential, the professional development of faculty, and the promotion of the nursing profession.

Goals

1. Cultivate a caring, innovative, and engaging environment to facilitate teaching, learning, scholarship, and service.
2. Deliver innovative quality nursing programs that meet the needs of a diverse student body and other communities of interest.
3. Promote the discovery, communication, and preservation of knowledge through scholarly activities and leadership.
4. Provide service to the University, the profession, and the public.
5. Develop community partnerships to promote nursing and the enhancement of the health care delivery system using interprofessional approaches.

Accreditation

The baccalaureate program is approved by the Alabama Board of Nursing and the baccalaureate, master's, doctor of nursing practice, and post-graduate APRN certificate programs are accredited by the Commission on Collegiate Nursing Education (One Dupont Circle, NW, Suite 530, Washington, D.C. 20036-1120: Telephone (202)877-6791).

Application Procedures

Application forms are available on the College of Nursing's web site. A (\$50.00 for BSN; \$100.00 for MSN or DNP) non-refundable application fee must be submitted with the application. Money orders or personal checks (\$20.00 fee on returned checks) are acceptable. MSN and DNP applicants are also required to complete a primary application in Nursing CAS at www.Nursingcas.org. Fall semester admission applications should be submitted by March 15 for the BSN program and February 15 for the MSN, DNP, and Post-Graduate Certificate programs. Spring semester admission applications should be submitted by July 15 for the BSN, MSN, DNP, and Post-Graduate Certificate programs. Summer semester admission applications should be submitted by January 15 for BSN program and November 15 for the MSN and Post-Graduate Certificate programs. Applications received at other times will be considered on a space available basis for RN-BSN track only.

Students who choose not to attend during the term in which they are accepted, are not permitted to roll admission status to another semester. Students who wish to be considered for a future semester must reapply, pay another application fee, and compete with other applicants without guarantee of acceptance. Students who drop out of the program for two or more consecutive semesters must apply for readmission through the Office of the Registrar. Readmission is not automatic. Students not accepted during a certain term must submit a new application for admission to another term.

Student Responsibility

While the University of South Alabama will endeavor to provide timely and accurate advisement, it is the responsibility of the student to know and satisfy the degree requirements of the academic program, to be aware of the University calendar, <http://www.southalabama.edu/academiccalendar/index.html> and to understand and comply with University academic policies and procedures.

Degrees Offered

The College of Nursing offers the Bachelor of Science in Nursing (BSN) degree, the Master of Science in Nursing (MSN) degree, and the Doctor of Nursing Practice (DNP) degree.

Certificates Offered

Post-Graduate Certificates are awarded to students completing planned programs of study in a nursing specialty area and subspecialty areas.
