## Schedule of Classes

A graphic for the 2021 schedule of classes. It features a large, light blue background with a faint, stylized white silhouette of a person in a dynamic pose, possibly a lifeguard or a person performing a rescue. The year '2021' is written in large, bold, dark blue numbers in the upper right corner. Below the year, a list of course titles is displayed in a dark blue, sans-serif font, stacked vertically on the right side of the graphic.

**2021**

- Heartsaver CPR
- First Aid
- First Aid/CPR/AED
- Healthcare Provider BLS
- ACLS Provider
- PALS Provider
- Instructor Courses

## Courses in Basic Life Support

## Courses in Advanced Life Support

### HEARTSAVER

### HEALTHCARE PROVIDER

### ACLS PROVIDER

### PALS PROVIDER

Heartsaver Courses (First Aid/CPR/AED) – Heartsaver courses are designed to prepare students to provide first aid, CPR, and use an Automated External Defibrillator (AED) in a safe, timely, and effective manner. Heartsaver Instructor-led training is conducted in a classroom setting and features group interaction and hands-on coaching and feedback from an AHA Instructor. Three (3) hour course.  
**COURSE FEE:** \$30 per student.

BLS Course provides the foundation for saving lives from cardiac arrest. It teaches both single-rescuer and team basic life support skills for application in both prehospital and in-facility environments, with a focus on high-quality CPR and team dynamics. Three (3) hour course. Books available at USA Bookstore or www.heart.org.

Medical professionals who respond to cardiovascular emergencies in and out of the hospital enhance their treatment knowledge and skills through the ACLS training courses. Highlights the importance of team dynamics and communication, systems of care and immediate post-cardiac arrest care. They also cover airway management and related pharmacology. AHA ACLS book mandatory for pre-test. Books available at USA Bookstore or www.heart.org.

The PALS course is for healthcare providers who respond to emergencies in infants and children. The goal of PALS is to improve the quality of care provided to seriously ill or injured children, resulting in improved outcomes. AHA PALS book mandatory for pre-test. Books available at USA Bookstore or www.heart.org.

**COURSE FEE:** \$50 per student. (\$40 if enrolled EMS student)

**COURSE FEE:** \$150 per student.

### ACLS RECERTIFICATION

Current ACLS card required. 1 day class (8 hours with 1 hour lunch break.)

**COURSE FEE:** \$85 per student.

#### SESSIONS:

Recertification class is held the same day of class listed in sessions above.

### PALS RECERTIFICATION

Current PALS card required. 1 day class (8 hours with 1 hour lunch break.)

**COURSE FEE:** \$85 per student.

#### SESSIONS:

Recertification class is held the same day of class listed in sessions above.

### ACLS EP

This course goes beyond ACLS by giving these specialized providers more focus and information to deepen their knowledge around the periarrest, arrest, and postcardiac arrest care. In the ACLS EP Course, providers actively participate in complex case scenarios and apply critical thinking skills to reach a differential diagnosis and rapidly create a treatment plan for the patient.

Please contact David Garmon for course information.

### AHA INSTRUCTOR COURSES

BLS - \$250
PALS - \$200
ACLS - \$200
All 3 courses - \$600

#### SESSIONS:

February 19
June 18
October 15
Please contact Will Montalban; Con-Ed coordinator for course approval.

**“The American Heart Association strongly promotes knowledge and proficiency in all AHA courses and has developed instructional materials for this purpose. Use of these materials in an educational course does not represent course sponsorship by the AHA. Any fees charged for such a course, except for a portion of fees needed for AHA course materials, do not represent income to the AHA.”**

### FIRST AID / CPR / AED
