STUDENT RESEARCH DIRECTION at the University of South Alabama**Committee Chairperson – Doctoral Dissertations and Pre-dissertation Projects**

1. Stalley, S. T. (2025, proposed May). *Investigating grammatical productivity in children with language disorders*. Dissertation.

2. Mei, D. (2025, May). *A systematic review of Mandarin-speaking children's early language development*. Dissertation.
3. Huang, Y. (2023, December). *The correlates of Chinese children's early reading skills*. Dissertation.
4. Stalley, S. T. (2022, December). *Testing a productivity formula using an artificial language learning task*. Pre-dissertation.
5. Huang, Y. (2021, November). *Joint book reading interactions: A cross cultural comparison of mothers with their preschoolers*. Pre-dissertation.
6. Mei, D. (2016, December). *The effectiveness of Parent-Child Interaction Therapy for language outcomes of children with autism spectrum disorders*. Pre-dissertation.
7. Foran, L. G. (2015, December). *The relationship between language and gesture during early arithmetic problem solving by preschoolers*. Dissertation.
8. Foran, L. G. (2013, November). *Deictic and representational gestures in the service of fast mapping for typically developing toddlers*. Pre-dissertation.
9. Klein, J. F. (2005, December). *The impact of changes in communicative responsibility and listener on the frequency of stuttering and adaptation*. Dissertation.
10. Estis, J. M. (2004, August). *Disambiguation in preschool and school-age children with specific language impairment given phonetically distinct and phonetically similar novel words*. Dissertation.
11. Ard, L. M. (2004, May). *Word learning by children with SLI given questioning and commenting during joint book reading*. Dissertation.
12. Bridges, L. V. (2003, December). *Conversational repair strategies of 9-year-old low and middle SES African American and Anglo-American children*. Co-Chairperson: Paul Dagenais Dissertation.
13. Ard, L. M. (2002, December). *The effects of questioning and commenting strategies on vocabulary acquisition during joint book reading*. Pre-dissertation.
14. Bridges, L. V. (2000, July). *CELF-3 performance by African American and white first and third graders*. Pre-dissertation.

Committee Chairperson – Master's Theses

15. Townsend, E. (2024, May). *Preparing speech pathology graduate students to effectively deliver parent-implemented early intervention*.
Above thesis awarded "People's Choice" (\$1000 prize) in 3-Minute Thesis Competition at USA 2023
16. Roberts, M. A. Moss. (2022, May). *The effect of tele-training intervention on joint book reading engagement with mothers and their children*.
17. Eadler, A. Brownell. (2020, May). *Parent implemented intervention opportunities for speech-language pathology graduate students: Perceptions of clinical educators*.
18. Frost, F. (2019, May). *Effects of gesture frequency and gesture-speech redundancy on typically developing preschoolers' word learning*.
19. Wesson, E. A. (2016, May). *Instructional styles of educators and speech-language pathologists with varied learners*.
20. Cook, K. Wagner. (2014, May). *Communicative outcomes of children with autism spectrum disorders following a parent implemented therapy program*.
Above thesis selected for presentation at the First Annual 3-Minute Thesis Competition at USA 2014
21. Byerley, K. J. (2014, May). *The impact of morpheme manipulation on toddlers' verb comprehension in a looking-while-listening paradigm*.

22. Keyes, S. L. (2012, May). *Measuring communication outcomes of responsive, parent-mediated intervention for a child with ASD.*
23. Mathews, L. A. (2011, May). *Knowledge and competency of speech-language pathologists serving children with autism.*
24. Weihing, M. W. (2010, December). *First signs: Early indicators of autism from home videos.*
25. Kerns, A. B. (2009, May). *Input cues and verb comprehension with toddlers in a looking-while-listening paradigm.*
26. Edwards, D. (2009, May). *Investigation of decodable texts and graphophonemic reading intervention for children with specific language and reading impairment.*
27. Fikes, C. H. (2008, May). *Disambiguation by children with SLI: The effects of word and context factors.* Co-Chairperson: Julie M. Estis.
28. Durden, S. M. (2004, May). *Material selection effects on measuring lexical diversity using number of different words.*
29. Goodnoh, H. (2002, May). *Patterns of grammatical morpheme production as MLU increases in children with SLI.*
30. Estis, J. M. (2001, May). *Object reference and phonological similarity in preschoolers with specific language impairment.*

Committee Member – Doctoral Dissertations and Pre-dissertation Projects

31. Lins, J. (2026, August). *Influence of oral reading prosody and prosodic processing on reading comprehension in persons with aphasia and alexia.* Chairperson: Kimberly Smith
32. Wang, X. (2023, December). *Word reading, reading comprehension, and eye movements during reading in Chinese persons with aphasia.* Chairperson: Kimberly Smith
33. Haik, K. (2023, July). *An examination of the psychosocial correlates of academic achievement in college students with autism spectrum disorder.* Chairperson: Lisa Turner
34. Bhutada, A. (2022, December). *Effects of expiratory muscle strength training on oropharyngeal swallow physiology in patients with obstructive sleep apnea (OSA): A pilot study.* Chairperson: Kendrea Garand
35. Bhutada, A. (2020, December). *Predictors of dysphagia in patients with obstructive sleep apnea syndrome (OSAS).* Chairperson: Kendrea Garand
36. Greathouse, A. (2020, July). *RCT of Parent-Child Interaction Therapy with Preschoolers with ASD.* Chairperson: Kimberly Zlomke
37. Corley, E. (2017, August). *An examination of autism spectrum disorders to non-typically and typically developing children on the Behavior Assessment of Children, 2nd. Ed.* Chairperson: Kimberly Zlomke
38. Drayer, K. L. (2015, December). *The heart brain connection: A meta-analytic review of cognitive function across cardiac procedures.* Chairperson: Elise Labbe
39. Bauman, S. (2014, December). *Utility of the dyadic parent-child interaction coding system with children with autism spectrum disorders: An investigation of reliability and validity.* Chairperson: Kimberly Zlomke
40. Cook, N. (2014, August). *Barriers to successful child-directed interaction mastery in children with autism spectrum disorders.* Chairperson: Kimberly Zlomke
41. Manasco, M. H. (2008, August). *Effects of auditory masking on speech errors, disfluencies, response latency, and accuracy in aphasia.* Chairperson: Paul Dagenais

42. Lambeth, A. (2008, May). *The effect of noise in the home on acceptable noise levels in children*. Chairperson: Robert Moore
43. McCaghren, K. (2005, December). *Trained and untrained observer ratings of communication behaviors in traumatic brain injury*. Chairperson: Paul Dagenais
44. McCaghren, K. (2004, June). *Bizarre and socially obstructive behaviors in traumatic brain injury*. Chairperson: Scott Rubin
45. Blanton, D. J. (2003, August). *A comparison of speech and language abilities of incarcerated adolescent males in a residential juvenile facility to adolescent males in the general population*. Chairperson: Paul Dagenais
46. Klein, J. F. (2003, June). *The impact of stuttering on employment opportunities and job performance*. Chairperson: Stephen Hood
47. Ogburn Yeager, A. (2001, December). *Lexical and environmental stimuli in dichotic listening tasks in posterior aphasia*. Chairperson: Scott Rubin

Committee Member – Master’s Theses

48. Merrick, R. (2025, May). *Text-to-speech applications for persons with aphasia*. Chairperson: Kimberly Smith
49. Frost, A. (2022, July). *The relationship between behavioral inhibition and secondary behaviors in children who stutter*. Chairperson: Dahye Choi
50. Jackson, D. (2022, May). *The impact of telecoaching on the emergent literacy skills of four-year-old children*. Chairperson: Victoria Henbest
51. Hack, C. (2021, Aug). *Impact of group therapy on the quality of life in persons with aphasia*. Chairperson: Kimberly Smith
52. Cunningham, E. (2020, Aug). *A comparison of two lingual strengthening devices: Iowa Oral Performance Instrument (IOPI) and Abilex*. Chairperson: Kendrea Garand
53. Maher, K. (2020, Aug). *Emotional reactivity and awareness of stuttering*. Chairperson: Dahye Choi
54. Short, R. (2020, May). *Degraded multimodal sentence recognition in younger adults: An analysis of primary and secondary responses*. Chairperson: Kimberly Smith
55. Hurd, L. (2019, May). *An investigation into the relationship between phonological awareness and awareness of stuttering*. Chairperson: Dahye Choi
56. Lins, J. (2017, May). *An analysis of oral reading in individuals with aphasia*. Chairperson: Kimberly Smith
57. Harris, M. (2016, May). *Effect of dialect in the perception of dysarthric speech produced by African- and Caucasian-American speakers as observed by African- and Caucasian-American medical professionals*. Chairperson: Paul A. Dagenais
58. Rollins, N. (2016, May). *Feedforward and feedback consistency: A look into the visual modality of consistency*. Chairperson: Mark Yates
59. Broadfoot C. K. (2015, May). *Assessing oral feeding skills in preterm infants using a simulation-based approach*. Chairperson: Julie M. Estis
60. Russ, K. (2014, August). *The reliability of cognitive consistency: Intra-individual variability across two testing sessions in healthy and concussed samples*. Chairperson: Benjamin D. Hill
61. Owens, K. L. (2013, May). *Word-final disfluencies: A case study*. Chairperson: David L. Evans
62. Smith, J. B. (2012, May). *The interpretation of courtship behavior: An unspoken dialogue*. Chairperson: Kelli J. Evans

63. Bauman, S. (2011, August). *Audiovisual integration and emotion processing in individuals with autism spectrum disorders*. Chairperson: John Shelley-Tremblay
64. Gerlich, S. (2011, May). *The effects of phonological similarity on disambiguation by young typically developing children in a looking-while-listening paradigm*. Chairperson: Julie M. Estis
65. Riddle, J. (2011, May). *Exploring barriers to participation in social support groups by survivors of acquired brain injury*. Chairperson: Kelli J. Evans
66. Likely, A. (2009, May). *African Americans' ability to codeswitch after receiving codeswitch training*. Chairperson: Paul A. Dagenais
67. Langston, S. (2009, May). *The impact of stimulus timing and phonetic similarity on disambiguation in children with specific language impairment and typically developing children*. Chairperson: Julie M. Estis
68. Ploetz, D. (2007, December). *Age of acquisition and imageability: Effects on word recognition and reading*. Chairperson: Mark Yates
69. Chiles, O. (2006, May). *Test taking time and quality of high school education*. Chairperson: Martin L. Rohling
70. Sanow, S. J. (2005, August). *The role of inhibitory control and reactivation in the task-switching paradigm*. Chairperson: Charles Brown
71. Blanton, H. (2004, August). *The ecological validity of neuropsychological test batteries in the evaluation of traumatic brain injury patients*. Chairperson: Martin L. Rohling
72. Henderson, A. (2004, May). *The effects of physical and social activity on the elderly's' ability to detect sarcasm*. Chairperson: Scott Rubin
73. Bice, A. (2002, August). *Resource allocation and auditory processing abilities of normal children*. Chairperson: Paul A. Dagenais
