

WZEW-FM

2018 Internship

WZEW-FM (92ZEW) is a commercial radio station in the Triple A Format (Adult Album Alternative). We are a music intensive station that prides itself on being "live and local." We are very involved with the community and events around the area, especially with the live music scene. Being an Intern at 92ZEW is an excellent way to learn about the broadcast industry, music business and sales. Students majoring in Broadcasting, Music (and all subjects related to that), Journalism and Marketing are encouraged to apply. This is a non-paid internship and the station will work around intern's school and work schedule. Hours will vary and there will be some weekend and evening hours in addition to hours during the normal business day.

Responsibilities:

Interns at 92ZEW (WZEW-FM) will be expected to follow the same guidelines as all employees of Dotcom Plus, LLC. The Intern will observe and shadow the Programming Staff and given the opportunity of hands-on experience with all duties including, but not limited to, Music Scheduling, Remotes and Public Appearances, Show Prep, Production and Promotions. The Intern will never be tasked with doing an employee's job for them.
