

Brown Bag Lecture: Dr. Robles-Valencia

"Monstrosity and Excess in Recent Spanish
Representation of the Precarious"

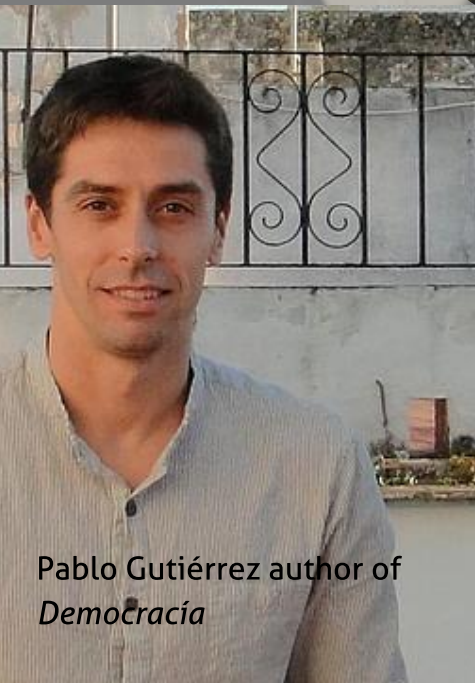

JOIN US IN THE LRC FOR OUR NEXT INSTALLMENT
OF THE BROWN BAG LECTURE SERIES

Dr. Robles-Valencia is in the early stages of writing an article that he will be presenting at the 2016 American Comparative Literatures Association conference. Dr. Robles-Valencia will be analyzing the novel, Democracia, for this installment of the Brown Bag Lecture Series. He will also be taking a look at several other narratives and films. The focus of his research will be on the representation of precarity and the precarious lives in Spain.
