

Liability Insurance Directions

- Go to www.myAEA.org.
- Select "Click Here To Join Now".
- Click on the "Students" link.
- Membership will be active from the date you join until graduation.
- After completing your enrollment, you will receive an email confirmation of your membership and coverage in the professional liability insurance program.

Important Final Step: Please review your membership expiration in the welcome letter you receive from AEA. *If the letter states that your coverage is in effect until 8/31/26, the expiration is incorrect. The letter should state that your membership and liability insurance coverage will expire on the date of your graduation. If your letter is incorrect, please forward your letter to Suzanne Clemons at suzannec@alaedu.org to request a revised letter with the correct expiration date. Please forward the letter you receive from Ms. Clemons to me.*
