

M4 Visiting Students for 2020-2021

All visiting senior medical students must apply online for an audition elective through the AAMC VSLO application system. Students must meet all of the requirements listed on our VSLO homepage.

<https://apps.aamc.org/vsas/public.html#/find-electives>

Approved visiting medical students from U.S. Allopathic or Osteopathic schools must not dilute the educational experience of our USA COM medical students and additional learners. Applicant approval is contingent upon availability of learner space in our M4 courses.
