STATEMENT OF PURPOSE
This program provides an update on important topics in neurology, and addresses clinical competencies of knowledge, performance, and improving patient outcomes.

TARGET AUDIENCE
This program is appropriate for all health care professionals.

OBJECTIVES

CME CREDIT
In support of improving patient care, USA’s College of Medicine Office of CME is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team. This activity was planned by and for the healthcare team, and learners will receive 13.25 Inter-professional Continuing Education credits for learning and change. This is approved for physician and nursing credit.
