

# ADMINISTRATIVE SESSION 2022

June 28 & 29, 2022

Save the Dates!

The Administrative Session is a two-day course designed for Chief and Administrator level personnel charged with disaster response and preparedness for their organizations. The program is designed to enhance disaster leadership and critical decision making skills. The session hosts internationally and nationally recognized presenters that speak to relevant topics such as: **Pediatric Emergency Preparedness, COVID 19 Response, Healthcare Coalition Tools & Resources, CMS Updates, Evolving Technology, Crisis Standards of Care & Humanitarian Efforts.**

Each Healthcare Coalition District will be allotted nine seats for their respective jurisdictions' selected and targeted participants. Contact your local HCC Coordinator for additional details if you have interest in attending.

Continuing Medical Education (CME) credits will be provided.
