University of South Alabama College of Nursing

Summer and Fall 2020 Undergraduate Technical Requirements Policy

Introduction:

All undergraduate nursing students are required to purchase a computer that conforms to the current college minimum standards by the time classes begin. Below is the list of the 2019-2020 list of minimal computer capabilities necessary for the enrollment in the ungraduate program of nursing at the University of South Alabama, College of Nursing. Students will additionally be required to meet basic software requirements identified below.

The 2020-2021 computer expectations are as follows:

1. **Wireless capabilities:** Wi-Fi
2. **Installed Memory Size (RAM):** 4GB (Minimum)
3. **Hard Drive:** 250GB or larger
4. **Processor:** Intel core i3, i5, or i7
5. **Screen Size:** Between 15" and 11"
6. **Operating System:** Microsoft Windows 10 and macOS 10.13.4 High Sierra (or newer).
   a. Windows RT and Windows S (silver) are not supported.
   b. Android, Chrome, Linux, Apple iOS (Apple's mobile operating system for tablets and phones), or a bootstrapped version of Windows on OSX are not acceptable alternatives for an operating system
   c. We **do not** allow the use of iPads or any other tablet running a mobile operating system.
7. Traditional laptops with a touch screen are acceptable
8. Built-in or external web camera
9. Built-in or external microphone

NOTE: These specifications are subject to be updated periodically, as the capabilities of technology advance, so students should review these specifications just prior to entry into the ungraduated nursing program.

PC Support Statement:

Current technologies used by the College of Nursing are not supported by Apple iOS or Linux based computers. Therefore, a personal computer (PC) based computer running a Microsoft Windows 10 or macOS 10.13 High Sierra (or newer) is required. No remedy or support can be provided by the College of Nursing should a student choose to use a computer running an operating system not supported by the above requirements.

Required Software Statement:

In order to maintain consistency across the curriculum, it is necessary to require the use of common software by all faculty and students. This practice helps ensure all students are able to complete required tasks with minimal technical difficulty.

Below are the general requirements that apply to all students in the nursing programs. It should be noted that individual courses or sub-specialties may add to this requirement as necessary.
