FROM: J. A. Miller, Director, Alabama Science & Engineering Fair

DATE: February 19, 2019

SUBJECT: Alabama Science & Engineering Fair (ASEF), April 4-5, 2019

Congratulations! You have been selected to compete in ASEF, the statewide science fair for Alabama. Attendance at ASEF is by invitation only, and you should be proud of your accomplishments so far. The University of Alabama in Huntsville (UAH) and members of the ASEF Organizing Committee extend to you a warm welcome, and we look forward to seeing you on campus soon.

The ASEF website is at www.uah.edu/asef, and it's where you will find registration and other important information such as the detailed fair schedule. There is a Special Awards Banquet Friday night at the US Space & Rocket Center, and your dinner is included with the registration fee. Your parents and teachers can purchase additional banquet tickets during registration as well.

The registration deadline is Friday, March 22, 5:00 p.m. This deadline is absolute and no late registrations will be accepted. You cannot attend if you are not registered.

Fair Directors will send your paperwork electronically to Ms. Rhonda Lisauckis (rdmubl@gmail.com) at ASEF. Please check with your Fair Director to verify this.

If you have any questions, please contact Ms. Vanessa Colebaugh at asef@uah.edu or 256-824-4510.

We look forward to seeing you at the Alabama Science & Engineering Fair!
