PHILOSOPHY

The philosophy for the USA Jag' Drumline is based on leadership, musicianship, teamwork, preparation, responsibility and commitment. We strive to teach and work BEYOND just the drumline. Buying into and demonstrating these qualities throughout the entire season will be the key to our success. In addition, you must have a positive attitude and be able to get along with others.

WHAT WE ARE LOOKING FOR

PREPARATION

Preparation refers to how much and how well your practice. It also refers to whether you have spent time reading and studying the entire packet in detail. Your preparation will determine how confident you are when you play and how well you know the material.

TECHNIQUE

Technique refers to grip, stroke, control, and hands. We utilize a RELAXED and REBOUNDED philosophy of technique which produces a quality sound at all levels, speeds, mediums, and playing philosophies that transcend more than just the activity of marching percussion (TRANSFER VALUE).

READING

Reading is NOT optional. With the large quantity of music that college drumlines play, the ability to visually read and verbally count rhythms as well as understand standard stickings is required. We will perform approximately 50 charts including exercises, cadences, cheers, stand tunes, pre-game, and multiple half time shows.

MEMORIZATION

Memorization demonstrates attitude and confidence. It shows that a person is dedicated to being a part of the drumline and has thoroughly prepared. Given that auditions are held close to the beginning of the Jag' Drumline Camp and USA Jaguar Marching Band Camp, memorization becomes even more valued.

COLLEGIALITY

Students are expected to treat other students and staff with respect.

TEAMWORK

A team player is someone who is not only willing, but eager to do what is best for the group. Team players embrace their role, regardless of what section they make, and they put the interests of the marching band and drumline ahead of their own.

AUDITIONS

Students **MUST** be enrolled as a **FULL-TIME student** at USA and present a valid **JAG ID** and copy of a **FALL 2016 CLASS SCHEDULE** at the time of the audition. Each section will audition together as an entire marching percussion section on a rotating basis, trying various player combinations. Following that, students will be asked to sight read and play individually. Results will be posted at various points during the camp. **It is highly encouraged that you prepare to audition on various instruments** based on your experiences and strengths (i.e. bass drum / front ensemble or cymbals / snare drum). Students are placed according to their personal strengths **AND NEEDS** of the section. Be prepared to audition on multiple instruments within the section. If you are auditioning for the Front Ensemble, please be comfortable playing all exercises/excerpts on marimba, vibraphone, and xylophone. If you are asked to play something that you have not prepared, then do your best. The staff knows this and is more interested in seeing how quickly you learn, your musical aptitude and most importantly, your **ATTITUDE** towards doing it.

Students auditioning on bass drum should prepare multiple parts (#1-5). Cymbal players should pick one of the split parts marked as A (above the line) and B (below the line) in the parts. The cymbal line performs various techniques including crashes, chokes, hi-hats, sizzles, slams, slides, zings, and taps. If you are unfamiliar with these, just do your best. We will work with you upon arrival.

JDL EQUIPMENT (What we use)

The **Jaguar Drumline** is sponsored by **Pearl** marching percussion instruments, **Remo** drumheads, **Vic Firth** sticks and mallets, and **Zildjian** cymbals. **JDL** marches **custom shell, chrome hardware, red-sparkle drums**. **JDL** will field up to 9 snares, 4 tenors, 5 bass drums, 8 cymbals as well as up to 12 members in the **Front Ensemble** including 4 marimbas, 2 vibraphones, and 1 xylophone.

NOTE: ALL sticks and mallets **are provided for JDL members** by the USA Jaguar Marching Band and supporting sponsors. You **WILL** need to bring your own sticks and mallets for auditioning purposes with the exception of those auditioning for bass drum. All cymbals will be provided for cymbal auditionees.
