UNIVERSITY OF SOUTH ALABAMA

Student Music Major / Music Minor Season Pass Form – 2026-2027 Season

USA music majors and music minors are invited to show support for their fellow music students, music faculty, and the music performance program at South Alabama by purchasing a Musical Arts Concert Series Student Season Pass. Music major and music minor passes allow admission for nearly all ticketed concerts during the 2026-2027 season.

The savings you receive by purchasing music student season passes are quite substantial, paying for themselves within five ticketed concerts. And the pass is good for the entire 2026-2027 academic year!

Remember that listening to live music performances will greatly benefit you as a musician and a teacher. Don't miss this opportunity to support your own growth as a professional artist.
