

Department of Mathematics and Statistics  
Non-Tenure-Track, 9-month, Instructor or Assistant Professor of Instruction

The University of South Alabama Department of Mathematics and Statistics invites applications for a one-year, non-tenure track (9-month) Instructor or Assistant Professor of Instruction position in mathematics and/or statistics, starting August 15, 2026.

Applicants for the rank of instructor must have at least a master's degree in mathematics or statistics (with at least 18 graduate semester hours in the corresponding discipline).

Applicants for the rank of Assistant Professor of Instruction must have a Ph.D. in mathematics or statistics (with at least 18 graduate semester hours in the corresponding discipline).

Applicants should have a strong commitment to teaching and service. The responsibilities for this position will include regular teaching duties, service to the department and university as well as other teaching-related activities.

To apply, submit the following online at [www.mathjobs.org](http://www.mathjobs.org) a cover letter, vita, a statement of teaching philosophy, unofficial graduate and undergraduate transcripts, and have three references submit recommendation letters in mathjobs.org. Applications submitted through any other means will not be accepted.

Further information is available at <http://www.southalabama.edu/colleges/artsandsci/mathstat/>

Review of applications will begin Monday, April 13, 2026, and continue until the position is filled.

Applicants selected for an on-campus interview will arrange to have official undergraduate and graduate transcripts from all colleges attended sent directly by the Registrars either electronically to Dr. Jacob Dasinger at [jdasinger@southalabama.edu](mailto:jdasinger@southalabama.edu) or by mail to Dr. Dasinger at the following address:
