NON-TENURE TRACK ASSISTANT PROFESSOR IN COMPUTER SCIENCE

The School of Computing at the University of South Alabama is soliciting applications for a full-time non-tenure-track, one year only, faculty position in Computer Science at the rank of Assistant Professor to begin as soon as possible but no later than the fall 2020 semester.

Applicants must hold a Ph.D. in Computer Science or Computing-focused field. An established record of excellence in research (as evidenced in publications and external funding), excellence in teaching and the ability to mentor undergraduate and graduate researchers are required. Applicants are sought with research/teaching interest in one or more of the following areas:

- Artificial intelligence
- Machine learning
- Optimization
- Internet of things (IoT),
- Robotic, cyber physical, real-time, or embedded systems
- Theoretical computing
- Visualization
- Software engineering

The University of South Alabama is located in Mobile, Alabama. Mobile features a year-round climate conducive to outdoor recreational activities and proximity to Mobile Bay and the Gulf of Mexico. USA is a DoD/DHS Center of Academic Excellence in Information Assurance with ABET-accredited undergraduate programs in Information Systems, Information Technology, and Computer Science. Graduate programs include a master’s program in Computer Science and Information Systems, and a Ph.D. in Computing.

The School of Computing is located in Shelby Hall, a 155,000 square foot, world-class computing and engineering facility, built with green and sustainable practices designed to provide a spacious, tranquil, environment for teaching and research. The high-tech facility houses multimedia classrooms and laboratories in cyber security, machine learning, robotics, and other cutting-edge fields. The School’s new facilities offer an excellent opportunity for motivated, innovative faculty to play a major part in building a respected program focusing on areas of growing importance to the computing field. Leadership opportunities abound.

Candidates should send, via electronic submission: (i) a letter of application (cover letter), (ii) a one-page statement of teaching philosophy, (iii) a two-page research statement, (iv) an up-to-date curriculum vitae, and (v) contact information for three professional references, to the Chair of the Faculty Search Committee, Dr. Ryan Benton at socfacultysearch@southalabama.edu.

Before an on-campus interview can occur, the University must receive official transcripts sent from all institutions of higher learning in which the applicant has earned a degree, three signed, original letters of recommendation, and a completed University of South Alabama Biographical Data Form.
Visit the School of Computing on the web at http://www.soc.southalabama.edu/.
