

University of South Alabama

DEPARTMENT OF OCCUPATIONAL THERAPY

Faculty – Instructor/Assistant Professor Position

The University of South Alabama invites nominations and applications for an Instructor/Assistant Professor faculty position in the Department of Occupational Therapy. The University of South Alabama (USA) is a doctoral/research-intensive institution offering a variety of undergraduate and graduate programs. USA is located in the historic southern city of Mobile, AL on beautiful Mobile Bay close to the Gulf Coast beaches and a short drive to New Orleans. This innovative Occupational Therapy (OT) program is organized around occupational performance areas and has an outstanding reputation.

Qualifications: Applicants must have an earned doctorate in occupational therapy or a related field. Successful candidates must be eligible for OT licensure in Alabama. Teaching and research experience is preferred. This is a twelve-month non-tenure track position. Qualified applicants should be team oriented and have an interest in emerging practice areas. The successful candidate will teach courses in areas of expertise and in general OT topics, advise students, and direct graduate research projects. Candidates should possess excellent interpersonal, organizational and problem solving skills. Salary is competitive and dependent on qualifications and experience.

This 12-month position is available beginning August 1, 2018. Review of applications is on-going and will continue until the position is filled.

Please apply electronically at the following link <https://www.governmentjobs.com/careers/usouthal/jobs/2004912> and be prepared to submit a cover letter of interest, curriculum vitae, and contact information for three references.
