Physical Therapy Faculty Position

The University of South Alabama (USA) Department of Physical Therapy is seeking highly-motivated applicants for a 12-month tenure or non-tenure-track Assistant/Associate Professor faculty position for Fall 2016. This position is available for an individual who desires to teach and conduct scholarly activity in a vibrant entry-level DPT program. The curriculum is delivered over 8 continuous semesters using innovative teaching strategies such as patient simulation and team-based learning that foster student engagement and clinical reasoning. Team teaching is utilized to promote delivery by faculty with content expertise. The University is located in historic Mobile, AL on the sunny Gulf Coast, between New Orleans and the Florida panhandle.

Become part of our collegial team of nine full-time faculty in the DPT program at USA with clinical specialists and a focus on global engagement in a department that has provided quality education for 40 years. The program is housed in our new Health Sciences building that includes research labs with a Vicon motion analysis system, BTE Primus, and a Carefusion portable metabolic system. Innovative teaching methods are encouraged and supported through the university’s Human-Patient Simulation Program, Innovation in Learning Center, TeamUSA Quality Enhancement Plan, and the Interprofessional Education & Collaborative Practice initiative.

Collaborative research and clinical practice opportunities are available through the USA Health System which includes the USA Medical Center, a level-1 trauma center, Children’s & Women’s Hospital, the Mitchell Cancer Institute, the USA Physicians Group, and the department’s PT Faculty Practice.

The ideal candidate should have teaching experience in **neuromuscular physical therapy** and **pathophysiology**, clinical expertise in adult neurorehab and acute care (with pediatric experience a plus), and interest in clinical education. Candidates must be eligible for physical therapy licensure in Alabama, and have a post-professional doctoral degree or DPT with clinical specialist certification. Responsibilities will include teaching, scholarly activity and service. Salary commensurate with credentials and experience.

Review of applications will begin immediately and continue until filled. Please apply electronically at the following link https://www.governmentjobs.com/careers/usouthal/jobs/1489296/asst-or-assoc and be prepared to attach a cover letter of interest, a current curriculum vitae (CV), and the names of three references. Direct questions to the search committee Chair Dr. Barry Dale, Phone: (251)445-9330; rbdale@southalabama.edu
