Global USA is the primary international division for the University of South Alabama. We support the university’s strategic priority of Global Engagement by working with colleges, departments, faculty, staff, students and the Gulf Coast community to facilitate the comprehensive internationalization of the University of South Alabama.

- **Office of Global Outreach and International Student Programs**  
  Responsible for international student recruitment, international student orientation, international student support services, and special events.

- **Office of Immigration and International Admissions**  
  Responsible for the processing of applications for admission submitted by non-citizens and immigration compliance for those students and others associated with the University.

- **Office of International Education**  
  Responsible for developing and administering study abroad; establishing international academic exchange programs; creating and maintaining institutional international agreements; reviewing and approving university related travel abroad for students, faculty, and staff; and serving as a resource for international visitor protocol.

- **English Language Center**  
  Help non-native English speakers develop their English proficiency in preparation for university studies through high quality instruction in English as a Second Language (ESL).

- **Center for Continuing Education and Conference Services**  
  Provide innovative and in-demand educational programs and experiences to the Gulf Coast and international communities focused on growing strategic partnerships, providing student enrichment opportunities and encouraging economic, civic and cultural development.

- **USA Baldwin County Campuses**  
  Offices located in Fairhope and Gulf Shores, Alabama.
