

SPORTS CLUB MANUAL

(September, 2011 – 4th edition)

Introduction

The Sports Club program at the University of South Alabama is designed to encourage responsible student participation in organized competitive activities with sports clubs at other institutions and/or involvement in intra-club events such as instruction, practice, socials, and tournament play. If a student organization is based upon some type of physical activity that meets the above mentioned parameters, it will fall under the jurisdiction of the Campus Recreation Sports Club program.

Registered sports clubs may use the name of the University of South Alabama in their organization title. However, when using the University's name, sports clubs speak only for their club and do not officially represent the University or the Department of Campus Recreation.

This manual has been developed in order to serve as an operation guide for all groups involved in the Campus Recreation Sports Club program. All Campus Recreation sports clubs are to adhere to the policies and procedures set forth in this manual.

This manual is supplemental to general University policies. Situations concerning sports clubs activities not covered herein should be referred to the Sports Club Coordinator, heretofore to be referred to in this manual as the SCC.

SPORTS CLUB BOARD – NOTE: as of September of 2011, the Sports Club Board does not exist. If and when it becomes operational, this manual will reflect that change.

Governing Body

The governing body of the sports club program shall be known as the Sports Club Board. The board shall be composed of:

1. The SCC, who shall act as chairperson in a non-voting capacity.
2. The elected president of his/her club or appointed representative from each of the member clubs in a voting capacity (one vote per club).
3. The advisor of each member club in a non-voting capacity.
4. The student assistant to the SCC, if applicable, in a voting capacity.

Duties of the Board

1. Recommend policy for the administration of Sports Clubs.
2. Recommend and give input to changes in this Sports Club Manual.
3. Allocate to clubs monies provided by the Department of Campus Recreation.
4. Plan for end-of-year Sports Club Banquet.
5. Deal with disciplinary problems involving clubs and/or individual members.

The implementation of the policies of the Board shall be under the direction of the SCC in conjunction with clubs advisors and coaches.

The Director of Campus Recreation shall be the final authority on questions that may arise concerning financial allocations, schedules, contracts, equipment, facility usage, disciplinary cases, and decisions made by the Board.

Board Meetings

1. The Sports Club Board will meet at least twice a semester. In addition, the SCC may call special meetings as necessary with at least 48 hour notice.
2. Meeting attendance is mandatory. If a club fails to have representation, appropriate sanctions may be applied.

ORGANIZATIONAL GUIDELINES

Initiating a Sports Club

The steps to follow in initiating a new sports club are:

1. Register the club as a recognized student organization with the Office of Campus Involvement. (Step 2 may precede this step.)
2. Consult with the SCC for assistance in forming a Sports Club.

Annual Registration

1. Previously recognized sports clubs seeking to renew their registration must obtain approval from the SCC at the beginning and/or end of each academic year.
2. Register club as a recognized student organization with the Office of Campus Involvement.
3. If a club fails to renew registration during any academic year, it shall forfeit all privileges until the violation is corrected.

Club Member Eligibility

1. All undergraduate and graduate students officially enrolled at the University of South Alabama are eligible to join any club for instruction and/or participation in the activities.
2. All forms required for participation in club sports must be filled out prior to participating in competitive play or practices involving contact.
3. Normal intercollegiate eligibility rules will apply only when previously agreed upon by the respective coaches and stated in club constitution.
4. A roster of membership must be brought to the advisor and SCC who will process the names for eligibility.
5. No club may restrict its membership on the basis of race, religion, color, nationality or ethnic origin, age, handicap, or military service.

6. Under no circumstances may any high school student participate in the club program when it is a competitive activity. Non students may participate as guests in recreational and educational activities – not in competitive activities - with approval of the SCC.

MANAGEMENT OF SPORTS CLUBS

Each sports club must provide itself with an appropriate constitution and officers who work with the SCC and at least one advisor to carry out the objectives of the club.

Advisor

1. Each sports club will have one or more advisor(s) selected from the staff and faculty of the University. The responsibilities of the advisor are identical to those listed on the Student Organization Advisor Agreement on file with the Office of Campus Involvement.
2. Each sports club may use the SCC as one advisor.
3. The advisor(s) will be kept informed of all expenditures from the on campus and the off campus accounts.

Coaches

All competitive teams are encouraged (and may be required) to have the services of a coach. Each sports club is responsible for securing the services of a coach or manager. Listed below are a number of duties and responsibilities that each coach or manager is asked to assume.

1. Schedule games no less than one week in advance. Notify the SCC of your schedule whenever games are added or changes are made.
2. Coordinate all practices and home games with the SCC to insure that there will be no scheduling conflicts in the use of facilities.
3. Be present at all games and practices when possible. This is mandatory for out-of- town games.
4. Give the SCC a list of equipment and supplies that will be needed for the following season immediately upon the conclusion of each season.
5. Help insure good sportsmanship on and off the field.
6. Help insure that club members adhere to the Student Code of Conduct at all club events.
7. Report all injuries in a timely fashion to the SCC.

Trainers

Those clubs engaged in high levels of physical contact – as determined by the SCC – may be required to have someone who can provide approved medical assistance at practices and/or games.

Facilities

1. Request for the use of Campus Recreation facilities will be given every consideration by the Director of Campus Recreation.
2. Sports Club teams requiring special facilities may have to make arrangements at their own expense elsewhere (example: water-ski club).
3. The SCC is responsible for scheduling, securing, and supervising Campus Recreation facilities.

Equipment

1. The supplying of equipment is the responsibility of each Sports Club.
2. Each Sports Club is responsible for keeping its equipment in safe operating condition as determined by the club President, Advisor, and the SCC.

Interclub Competition

Scheduling:

1. It is recommended that interclub competition be considered after the club has:
 - a. Reached an optimum membership.
 - b. Conducted intra-squad matches to warrant additional competition.
2. Make tentative schedule up to a minimum of one month in advance. Exceptions require approval of SCC.
3. Attempt to schedule home one week, away one week.
4. When possible try to schedule teams of near equal ability.
5. When possible try to schedule near home (100 miles radius).
6. When possible try to schedule contests with institutions having the same sport on a club basis.
7. All schedules must be coordinated with the advisor and approved by the SCC.
8. All long distance phone calls regarding club sports may be made in the Department of Campus Recreation, Monday-Friday, 8:00 A.M. – 5:00 P.M. or during office hours of SCC.

The fielding of a complete and well-equipped team:

1. The club president is responsible for the team schedule. In addition, he/she is responsible to see that a complete and well-equipped team is fielded for each event. If such a team cannot be fielded, interclub competition will be discontinued immediately.
2. If a Sports Club is to compete under the name of University of South Alabama, it must do so in a most representative manner.

Transportation

1. Transportation will be the responsibility of the respective coaches.
2. All sports clubs may travel in individual cars or rentals or a University owned vehicle. The budget and insurance coverage are important considerations regarding your transportation plans.
3. Only pre-approved faculty/staff may drive a University vehicle.
4. Only students with valid driver's license and current automobile insurance may drive their vehicle to a club event.

Medical Considerations

It is the responsibility of students who wish to participate in club sports to evaluate the condition of their health in relation to the demands of the sport; the University assumes no responsibility. Physical examinations prior to club sports participation are recommended. Some clubs that participate in contact sports may be required to have their members have physical examinations. (Requirement will be contingent upon level of contact involved in the activity.) The need for such physical examinations will be determined by the SCC.

Medical Care and Insurance

1. Proof of insurance will be required for club sports members dependent upon risk of event. This will be determined by the SCC.
2. Sports Club teams must make their own arrangements for training facilities and medical care when participating away from the University of South Alabama campus. Visiting teams should be advised of our training facilities and medical care while participating at the University of South Alabama.
3. Medical personnel attending contests whenever possible is recommended.
4. All club members are required to sign a Waiver and Release from Liability form before participating in any Sports Club activity.

Awards

1. The club membership may develop detailed criteria for awards.

2. Proposal of criteria must be submitted to the SCC.

Publicity

All publicity must be approved by the SCC.

Club Meetings

Each club must have at least one regular meeting/practice per semester.

Release and Assumption of Risk

1. All club members are required to sign a Waiver and Release form before Participating in any sports activity.
2. Club officers are responsible to insure that the Release forms are signed by club members.
3. All completed Waiver and Release forms will be kept on file in the Department of Campus Recreation.

Conduct

1. Clubs are expected to function in a mature and responsible manner both on- and off-campus in all club related activity in accordance with the club constitution.
2. Sports Clubs or individual members of clubs may face disciplinary action for inappropriate on-campus or off-campus actions while participating in any club activity.
3. University Legal Office deals with all matters pertaining to injury and related matters in Sport Club activities.
4. No alcoholic beverages are permitted in or on USA sport club facilities. It is the club's responsibility to monitor this situation, including behavior of spectators. Games/practices/events will be delayed until problem is corrected.
5. The club may be subject to immediate "probation," with all funds frozen and all activities postponed, if it does not adhere to the proper University rules and regulations. The SCC will notify the club of this action.
6. **POLICY OF REPRIMAND:** The Sports Club Board expects sports clubs to follow all the previously mentioned rules and regulations and all policies of the University of South Alabama. Individual cases will be directed to the Board for their immediate action. (or the SCC if the Board is inoperative.)

National Standards

Each sports club must adhere to national standards regarding competition and safety established for the particular sport with which the club is involved.

STUDENT LEADERSHIP

Students have unlimited opportunities to become directly involved in the administration and supervision of their respective clubs. They should assist in writing their club's constitution, which should consist of the club's name, statement of purpose, membership requirements, advisor and coach selection, election procedures, financial arrangements, officers' duties, frequency of meetings, organization affiliations, and amendment and ratification procedures (see appendix for sample constitution).

President

Listed below are a number of duties and responsibilities that each club president is asked to assume.

1. Read the "Sports Club Manual," be familiar with its contents, and refer to it when questions arise.
2. Submit a semester report of club activities.
3. Oversee other club officers.
4. Know the location of all of your club's equipment.
5. Know your financial status.
6. Make sure that your club has a constitution. Make yearly corrections. Club membership must be renewed every year.
7. Serve as liaison with SCC and know what services the Department of Campus Recreation offers your club (photocopying, phone calling, etc.)
8. Train incoming club president.
9. Be responsible for the team's schedule, although the schedule must be approved by the SCC.
10. See that your club has an advisor and – if needed - a coach.
11. Provide the SCC with a current copy of all information required by the Office of Campus Involvement for club recognition.

Vice President

1. Maintain a current list of addresses and phone numbers for the club officers and members.
2. Respond to inquiries from members/potential members/interested parties.
3. Submit a club roster to the SCC at the beginning of each season and keep updated.
4. Collect Release from Liability form and Personal Information form from all new members and turn in to SCC or assistant within 5 working days.
5. Collect and maintain Pre-Participation Medical form from all new members.

Secretary-Treasurer

1. Keep all records of the club's activities including award qualifications, records, etc.
2. Maintain both on campus and off campus account records.
3. Collect and record all required club dues.
4. Present budget requests to the SCC.

General officer duties

1. Arrange competition schedules.
2. Arrange for practice and game facilities.
3. Schedule transportation.
4. Arrange lodging and food when necessary.
5. Arrange for officials when necessary.
6. Develop criteria and sports club awards for approval.

7. Recommend award recipients.
8. When required, verify all members have proof of insurance.
9. Prepare appropriate publicity material for distribution by the Department of Campus Recreation.
10. Order all new equipment through the Department of Campus Recreation by presenting all needed information such as model number, size, color, company ordering from and addresses.

FINANCES

Campus Recreation funds may be available for some of the financial requirements of the club, including travel, officiating expenses, entry fees, and equipment. Budget requests by sports club team(s) must be submitted to the SCC.

Funding sources

1. Club Dues
2. Instruction
3. Fund Raising.

When a sports club wants to raise donations/sponsorships from organizations/businesses/individuals, they must involve the USA Development Office (located in TRP III, Suite 2150) IF the donor expects verification of the gift. This is because the Development Office is the only USA entity recognized by the IRS for writing “thank you” letters that can be considered tax-deductible write-offs for the donors.

EXAMPLE: A club solicits McDonald’s for 50 hamburgers. If the owner does not need to write off the gift for tax purposes, a “thank you” letter from the club will suffice. If the owner DOES require a letter acknowledging the gift, the Development Office will write an official letter acknowledging the gift and will enter McDonald’s as a donor in their donor files (and would list McDonald’s in their annually published Honor Roll of Donors Publication). The dollar value of the gift is between the donor, their accountant, and the IRS.

Monetary gifts from large Mobile businesses should be coordinated with the Development Office. Often, the Development Office may have a large proposal before a company which might be compromised by a smaller gift to a sports club.

For assistance, contact Ginny Turner, the Development Office director, at GTurner@usouthal.edu, 460-7839.

4. Student Government Association.
Each club may receive up to \$2,000 per year from the SGA, beginning with their third semester as a recognized student organization.

5. Campus Recreation.

Each club may receive money from Campus Recreation, dependent upon each year's budget and beginning with their second full semester as a Sports Club. (see appendix on how allocations will be determined)

Accounts

All sports clubs may have an on campus account, an off campus account, or both. There are advantages and disadvantages to both; speak to SCC and be sure you understand them before making a decision on which type of account your club wants.

1. Off-Campus Accounts:

An off-campus account for a club may be opened at any local bank, S. and L., or credit union. However, a club must have an advisor in lieu of the SCC to help manage said account. This advisor must be on the signature card and SHOULD be signing on all checks being drawn on the account. Non-SGA deposits may be made by anyone. To deposit SGA money, see 2b below.

2. On-Campus Accounts:

- a. To open an on-campus account, the club advisor must send to the V.P. of Student Affairs a request on his/her department letterhead stating that the club wishes to open an account, that he/she is advisor of said club, and that he/she will be responsible for monies in said account. This process takes about three weeks before an account number is assigned to the club. New club advisors must also send a letter accepting responsibility; this will also give them access to the club account.
- b. To deposit SGA money into an account, a club must: 1) initially, use personal resources to purchase approved SGA expenditures (example: members pay for their own gas to travel to a tournament or members pay for 50 t-shirts). 2) make copies of all receipts of expenditures and take these copies to the SGA office. 3) fill out required SGA form, include the club's account number and attach receipt copies. 4) give this paperwork to SGA Treasurer or SGA Secretary. SGA will then transfer monies to designated account. Remember, SGA cannot transfer any funds to a club account until AFTER the club has received the goods/services. NOTE: for off-campus accounts, SGA will need voided check from account and an Authorization for Electronic Deposits for them to transfer the money (one time only).
- c. To deposit non-SGA money into an on-campus account: 1) give cash/checks to advisor (if Coordinator of Club Sports, money should be given to Campus Recreation Secretary). 2) Advisor (Secretary) will give person making deposit a receipt for the deposit.
- d. To withdraw money from an on-campus account: 1) take original receipts to advisor (if Coordinator of Club Sports, receipts should be

given to Secretary of Campus Recreation). 2) Give the name, address, and J-Number of each person getting reimbursed to the advisor (secretary.) If a receipt is a credit card expenditure, reimbursement may only be given to the owner of that credit card. 3) Direct pay information will then be sent to accounting.

Reimbursements

How vendors and/or student are reimbursed will depend on the source of funds.

1. Off-campus accounts. Reimbursement may take the form of cash or checks. If the check is from a club account, the signature of advisor **SHOULD** be on the check.
2. On – campus accounts. Reimbursements may not take the form of a check. All reimbursements must be in the form of an electronic deposit to the vendor’s or individual’s financial institution.

Two forms are required to be on file for direct pay to a Vendor or an individual who does NOT have an assigned J number.

- a) The University must have on file a W-9 form. This form is required by the IRS so that all payments to individuals and vendors are reported for tax purposes. This form may be found on-line at:
www.irs.gov/pub/irs-pdf/fw9.pdf
- b) The University must have on file an Authorization for Electronic Direct Deposit. This form may be found on-line at:
www.southalabama.edu/financialaffairs/accountspayable/eddauthform.pdf
Clubs must submit this completed form to the Secretary of Campus Recreation.

Students, staff, and faculty who already have an assigned J number need **NOT** file a W-9; they **WILL** need to file the Electronic Direct Deposit form.

NOTE: For tax reporting reasons, individuals offering services (such as officials) must be paid directly by the University if funds are coming from an on-campus account. Students will **NOT** be reimbursed out of an on-campus account for paying individuals for services rendered. They will be reimbursed for purchases (equipment, gas, supplies, etc.)

ALLOCATION OF CAMPUS RECREATION SPORTS CLUB DOLLARS

(NOTE: as of September, 2011, this policy is not in effect; if circumstances change, it will be reflected in this manual.)

The Department of Campus Recreation MAY be given a Sports Club budget every year. The Sports Club Board will meet every semester to review the budget requests from all of the clubs and distribute money from this budget to the various clubs based upon the following point system. Each club will receive a percentage of the total dollars available based upon the points they have earned during their previous active year. The more active clubs involving the greatest number of students will receive a larger budget than the smaller, less active clubs.

MINIMUM STANDARDS FOR ALL CLUBS
