I. PROGRAM OVERVIEW:
University-community engagement is one of the University of South Alabama’s (USA) strategic priorities and is articulated in the USA strategic plan as the intention “to define, support, and strategically advance the University of South Alabama’s commitment to ongoing, permanent, sustainable, and mutually beneficial partnerships with the communities it serves.” Volunteerism is one of the many ways that USA faculty, staff, and administrators engage with the community.

USA has long maintained a strong partnership with the United Way of Southwest Alabama. Historically, USA has demonstrated dedication to serving the Mobile community by consistently being a leading contributor to United Way’s local Annual Campaign. To further advance the University’s commitment to our community, we have developed the USA EMPLOYEE COMMUNITY VOLUNTEER PROGRAM for Faculty, Staff and Administrators in the University’s General Division. This new program supports United Way of Southwest Alabama partner agencies and affiliate agencies by allowing ELIGIBLE EMPLOYEES to use VOLUNTEER ADMINISTRATIVE LEAVE annually to fulfill volunteer Needs of these organizations through SOUTH SERVES. This program will be administered by the USA Division of Academic Affairs through the Office of Community Engagement.

II. PROGRAM DEFINITIONS:
ELIGIBLE EMPLOYEE (EMPLOYEE): An employee eligible to participate in the USA EMPLOYEE COMMUNITY VOLUNTEER PROGRAM must be a regular full time benefits-eligible faculty, staff, or administrative employee in the University of South Alabama General Division and in USA Health who is in good standing, and who has achieved at least one year of current service (based on most recent seniority date).

VOLUNTEER: A VOLUNTEER is an ELIGIBLE EMPLOYEE participating in the USA EMPLOYEE COMMUNITY VOLUNTEER LEAVE PROGRAM.

COMMUNITY VOLUNTEER ADMINISTRATIVE LEAVE (LEAVE): Each fiscal year ELIGIBLE EMPLOYEES will be granted up to EIGHT (8) hours paid COMMUNITY VOLUNTEER ADMINISTRATIVE LEAVE at their normal rate of pay.

UNITED WAY OF SOUTHWEST ALABAMA PARTNER AGENCY AND AFFILIATES AGENCY (AGENCY): A United Way of Southwest Alabama Partner Agency is a 501 (c)(3) nonprofit organization who submits “through a comprehensive vetting process, during which they are examined and their by-laws, tax forms, and audits are reviewed by a panel of community volunteers. The agencies are also visited and evaluated as part of their application process.” Affiliate agencies are 501(c)(3) nonprofit agencies who register with United Way of Southwest Alabama’s Volunteer Connect web portal. Both UNITED WAY OF SOUTHWEST ALABAMA PARTNER AGENCIES AND AFFILIATE AGENCIES postings of agency descriptions, contact information, and requests for volunteers can be found on the SOUTH SERVES web portal.
III. PROGRAM DESCRIPTION:

To enhance the University of South Alabama’s commitment to serve the local community, the UNIVERSITY OF SOUTH ALABAMA EMPLOYEE COMMUNITY VOLUNTEER PROGRAM supports ELIGIBLE EMPLOYEES of USA in providing volunteer service to the local community. Each fiscal year USA grants ELIGIBLE EMPLOYEES up to eight hours (8) of paid COMMUNITY VOLUNTEER ADMINISTRATIVE LEAVE during their regularly scheduled work day to volunteer their time in service to a UNITED WAY OF SOUTHWEST ALABAMA PARTNER AGENCY.

IV. FACULTY PARTICIPATION:

University of South Alabama Faculty members are eligible to participate in the Employee Community Volunteer Program. They are permitted up to 8 hours annually (on a fiscal year basis) to volunteer through the program. Participation is contingent upon adequate coverage of responsibilities and requires Department Chair approval. Normally, leave for faculty for volunteer activities will not be approved if that leave reduces instructional contact hours or would otherwise negatively impact student learning. Faculty members should follow the program procedures by:

1) Seeking approval from their Department Chair to participate prior to volunteering with an agency through the SOUTH SERVES portal,
   and

2) Reporting their hours on their monthly leave report submitted to their Department Chair.
   Participation in this program does not limit or otherwise impact professional service provided by faculty members as required to fulfill their academic, faculty or professional activities reported on their Annual Faculty Activity Report.

V. EXPECTATIONS AND RESPONSIBILITIES OF VOLUNTEERS:

As members of the University of South Alabama community, ELIGIBLE EMPLOYEES participating as VOLUNTEERS are expected to govern their actions appropriately while volunteering, including but not limited to, those related to behavior and confidentiality and should refer to the USA Staff Handbook/USA Faculty Handbook as appropriate for further guidance.

The volunteer service activities performed by VOLUNTEERS of the Employee Community Volunteer Program are beyond the scope of University of South Alabama employment.

The University of South Alabama will track participation in the Employee Community Volunteer Program in order to determine the number of hours of service provided by USA employees participating in the program and the number of Agencies served by USA employees participating in the program on an annual basis.

In order to gather the information regarding the number of volunteer hours and Agencies served, the following steps will occur:

1) Each monthly and bi-weekly pay period, a report will be generated to track participation in the program, providing the participant’s name, J number, USA email, home department, division, job title, FTE, number of hours charged to **VOLUNTEER ADMINISTRATIVE LEAVE** for that pay period, cumulative hours of **VOLUNTEER ADMINISTRATIVE LEAVE** hours used fiscal year-to-date, and timekeeping or leave reporting approver.

2) On a monthly basis, the Office of Community Engagement will send each Employee who participated a brief survey which will ask them to confirm their volunteer hours, the Agency for which they volunteered, and a general rating of their experience.

3) On a quarterly basis the Office of Community Engagement will audit 5% or 30 Volunteers, whichever is smaller, requesting a copy of their approval form from their supervisor.

4) The information gathered through the tracking process will be compiled and reported annually through the Office of Community Engagement Annual Report.
