

SERVICE CENTER WAIVER CERTIFICATION

The service center account listed below will **not** charge any grant or contract funds for services that may be provided by the service center. I am requesting that the requirement of a service center use rate calculation form be waived at this time.

In the event that the service center plans to charge grant and contract funds at some point in the future, I will apply for a use rate prior to charging any sponsored project fund.

I understand that this waiver does not release me from complying with other University regulations associated with the operation of this service center.
