Inviting Family to Visit

Please make sure to refer to the specific U.S. Embassy Website your family will be visiting for their interview.

The US Department of State has indicated that a letter of invitation from the school is not required to process a visa application. However, an invitation letter directly from the student can be helpful.

Suggested Documentation:
When preparing for a family members Visitor (B-2) visa we suggest your family member brings the following documents to their visa interview. Remember that this list is only a suggestion and each U.S. Consulate will approach each visa application on an individual basis and may require differing documents.

- A letter, written in English, inviting your family member to visit you (see template below)
- Evidence of your valid student status
- Copies of your transcript and current enrollment
- A photocopy of your I-20/DS-2019, passport, visa, and I-94
- Documents showing your ability to financially support your family member if they do not have their own funding to support themselves during their visit
