RECRUITMENT RULES OF THE UNIVERSITY OF SOUTH ALABAMA
PANHELLENIC ASSOCIATION

I. Introduction

All recruitment rules have been established by USA Panhellenic Council to help sorority women and prospective new members better the recruitment process for both sorority women and for potential new members. The Primary Recruitment period has a two-fold purpose: to give the prospective members every opportunity to become acquainted with as many sororities as possible so that she can make a wise, unbiased opinion, and to ensure that sororities have equal opportunities in recruiting and member selection under the Panhellenic System.

All sorority members, alumnae representatives, or anyone acting as a representative of a sorority will be expected to conform to the highest standards of conduct. Mentioning subjects such as sorority reputations, stereotypes, generations, prospective member reputations, or promising bids is unacceptable and does not uphold these standards.

II. Code of Ethics

Panhellenic Women at the University of South Alabama will uphold respect for their individual sorority, other USA Panhellenic sororities, the National Panhellenic Conference, the Office of Greek Life, and the Recruitment Rules that have been put in place. Panhellenic women will promote only the overall Panhellenic Community outside of scheduled Recruitment Activities. They will acknowledge and abide by the Strict Silence rules put in place by NPC during the Primary Recruitment period and will honor the privacy that each sorority makes a priority during Recruitment. Failure to uphold this code of ethics will result in a potential judicial matter.

III. Statement of Adherence to NPC Unanimous Agreements and Policies Regarding Recruitment

All NPC member organizations represented at the University of South Alabama believe in strictly adhering to NPC Unanimous Agreements and policies. All organizations will follow these valued and non-negotiable policies during the recruitment process. All organizations are responsible for their own individual members. Any sorority or sorority member refusing to abide by the agreements and policies in place will be subject to punishment.

IV. Statement of Membership Recruitment Acceptance Binding Agreement (MRABA)

The University of South Alabama Panhellenic will uphold and use the membership recruitment acceptance binding agreement (MRABA) for each potential new member interested in joining a sorority, whether during Primary Recruitment or Continuous Open Bidding (COB). We agree to all policies and steps pertaining to the MRABA.

V. Statement of Recruitment Eligibility

A woman who is or who has ever been an initiated member of an existing NPC sorority shall not be eligible for membership in another NPC sorority.

To be eligible to participate in Panhellenic recruitment and pledge an NPC sorority as a collegiate member, a woman must: not be simultaneously enrolled in high school and attending college or be an undergraduate regularly matriculated according to the definition of matriculation established by that institution.
An undergraduate woman may pledge an NPC sorority only during a regular academic term and not during any school recess or summer academic term, except during a primary membership recruitment period and ensuring continuous opening bidding (COB) process when held immediately before an academic term.

VI. Statement of Positive Panhellenic Contact

To help increase the number of potential new members, it is necessary that sorority women promote general sorority membership. It is also important that the general public understand the high scholastic attainment, dynamic leadership opportunities, philanthropic contributions and immediate campus-based circle of lifelong friendships that membership in sororities offers. Because of these factors, positive Panhellenic contact should be the goal of all College Panhellenics. Positive contact is intended to promote interest in the sorority community and bring more women to the recruitment process. Too often sorority women turn away potential new members. Development of a Panhellenic code of ethics and adherence by all chapters is essential to the success of every College Panhellenic (National Panhellenic Conference, Manual of Information, 22nd Edition 2017, p. 118-119).

Strict Silence We, the women of the University of South Alabama, will promote panhellenic-spirited contact with all potential new members throughout the year. Strict silence will begin at the time of signing the MRABA and last until bid distribution August 23, 2020 at 6pm. No sorority member, including alumnae and new members, may communicate or live with potential new members during this period. Strict silence is defined as verbal, nonverbal, written, printed, text message and electronic communication or communicating through a third party. If potential new members live in a residence hall with sorority members, only casual greetings and contact are permitted.

Before Primary Recruitment Sorority members, alumni representatives, or anyone acting as a representative of a sorority may contact a potential new member or their family for information. Normal contact is allowed for pre-existing friendships (relatives, life-long friends, neighbors, and co-workers).

Before and During Primary Recruitment Sorority members, alumnae representatives, or anyone acting as a representative of a sorority should not:
Tell a prospective new member or imply that she has a bid, ask her to pledge, imply an invitation from a certain group at any time (written, oral, email, etc.), or give gifts of any kind. No prospective new member should be asked to give a promise to any sorority. 2. not ask about or mention a recruitment counselor or a member of the Executive Committee 3. mention their personal opinion of any other sorority. Questions concerning another sorority should be referred to that sorority, a recruitment counselor, or the Executive Recruitment Committee*.

Only information concerning women’s fraternities and sororities, and Recruitment at USA shall be sent to current students accepted for fall admission. Only Panhellenic is authorized to make such contact during the imposed silence period.
