Mr. Weldon called the meeting to order at 7:03 a.m.

The minutes of the April 13, 2017, meeting were approved as presented.

Mr. Weldon called on Mr. Crownover, who reported that the Student Government Association fully supported the draft of the updated Campus Master Plan. The Campus Master Plan Committee members were given a draft Resolution indicating the SGA's full endorsement. This Resolution would be signed by Josh Crownover and Carl Thomas as SGA Presidents for 2016-17 and 2017-18 respectively.

Mr. Weldon added that the Long-Range Planning Committee of the Board of Trustees had recently met to give its input and approval of the draft of the updated Campus Master Plan.

Mr. Weldon called on Dr. Coleman to present the latest version of the draft to the group. Dr. Coleman called attention to the revisions that had been made to the draft since the last meeting. She asked that any further revisions be reported to her by noon on that day. Some members asked that some of the pictures be replaced by more appealing ones and agreed to provide those pictures to Dr. Coleman before noon. Mr. Weldon thanked Dr. Coleman for her tireless efforts in compiling the information and preparing the updated Campus Master Plan.

Mr. Weldon also thanked all of the Committee members for their contributions of time and their input during this process. He announced that his office would poll the members on Monday, May 15, for their approval/disapproval of the final Campus Master Plan. This final Plan would be presented to the USA Board of Trustees for approval at its meeting on June 2, 2017.

With no other business to discuss, the meeting was adjourned at 7:21 a.m.
