

UNIVERSITY OF SOUTH ALABAMA

The University of South Alabama is a comprehensive, global research and teaching university that provides students a quality education in business, the liberal arts, education, engineering, computing, the sciences and health care.

USA's commitment to student success includes small class sizes and hands-on research opportunities in more than 100 undergraduate, master's and doctoral degree programs. Students enjoy an outstanding campus experience, with state-of-the-art facilities, a 116,000-square-foot recreation center and more than 200 student clubs and organizations. The USA Jaguars field 17 Division I athletic teams that compete in the Sun Belt Conference.

In health care, USA provides students with an exceptional medical education through the colleges of Medicine, Nursing and Allied Health Professions. At the same time, USA Health serves the region with advanced and innovative care through the USA Physicians Group, USA Medical Center, USA Children's & Women's Hospital and the USA Mitchell Cancer Institute.

Under the leadership of President Tony Waldrop, USA is focused on five strategic priorities — Student Access and Success, Enhancement of Research and Graduate Education, Global Engagement, Excellence in Health Care, and University-Community Engagement. The University is elevating and accelerating these priorities through its \$150 million "Upward & Onward" fundraising campaign.
