Article I. NAME

INSTRUCTIONS
Give the full name of the organization, as well as any abbreviated or shortened forms that may be commonly used.

EXAMPLE
The name of this organization is Students Advocating Lettuce and Dressing, also known as SALAD.

Article II. PURPOSE

INSTRUCTIONS
State the purpose, aim, and function of the organization, as well as its main mission-supporting activities. Remember that all student organizations at USA must have separate and distinct missions. New organizations cannot overlap or duplicate existing student groups.

EXAMPLE
SALAD’s sole purpose is the promotion of salad consumption among University of South Alabama students. SALAD believes a daily salad is the key to physical and mental well-being. To increase salad awareness on campus, SALAD will conduct pop-up informational sessions, host nutritionists and other speakers, and hold an annual food festival called SALAD DAYS.

Article III. NON-DISCRIMINATION POLICY

INSTRUCTIONS
The non-discrimination policy below must be included word-for-word. Copy-and-paste it into your constitution. Make no additions or deletions!

EXAMPLE
Membership in University of South Alabama student organizations is open to all regularly enrolled students. Accordingly, no person may be excluded from membership or leadership in a registered student organization due to race, color, religion, national origin, age, gender (unless exempt under Title IX), sexual orientation, disability or veteran status; provided, however, that registered student organizations may limit their membership to students who, upon individual
inquiry, affirm that they support the organization's religious, political or other legally protected views, consistent with the First Amendment.

Article IV. MEMBERSHIP

INSTRUCTIONS

Section 1. USA Enrollment Requirement
Only currently enrolled students at the University of South Alabama are allowed to be members of USA student organizations. This means that 100% of your membership must be currently enrolled at USA. You must state this explicitly. (See example below.)

Section 2. Membership Qualifications and Requirements
This section should explain how a student can join the organization, as well as any additional qualifications or requirements.

Section 3. Quorum and Voting Requirements
This section should clearly define what constitutes a quorum (that is, the minimum number of members necessary to conduct official business) and how winners will be decided when voting. Remember that a majority means “more than half.” In some cases, you may want to institute plurality voting (the candidate or option that receives more votes than any other single option is declared the winner) or a supermajority threshold (some level of support greater than a majority, such as 60%). Feel free to Copy-and-paste example into your constitution.

EXAMPLE

Section 1. USA Enrollment Requirement
Membership is limited to students currently enrolled at the University of South Alabama.

Section 2. Membership Qualifications and Requirements
To join, a student must attend an official organizational event or meeting and ask to be placed on the roster. There are no additional qualifications or requirements for membership.

Section 3. Quorum and Voting Requirements
For the purpose of official business, a quorum is defined as a majority of the total membership. On any business requiring a vote, the winner must receive a majority of the ballots cast.
