Dear Friend of Student Affairs:

It gives me great pleasure to provide an annual report for the Division of Student Affairs at the University of South Alabama. This past year of accomplishments and activities have provided us with the distinct opportunity of partnering with various entities to offer an out-of-class experience for students that engages them with their institution and its academic mission.

Through our vision, mission, and value statements we aim to have a major impact on the university priorities for student success and university/community engagement.

Feel free to visit us at: southalabama.edu/studentaffairs to view this report online.

Sincerely,

Michael A. Mitchell, Ph.D.
Vice President for Student Affairs and Dean of Students

STUDENT AFFAIRS STRATEGIC GOALS

The University of South Alabama Student Affairs Division is committed to student engagement and success through the following strategic goals:

- Increase student engagement in university activities by providing and promoting quality services and programs
- Support and retain a diverse community of learners to enhance campus life and create opportunities to develop students as ethical and responsible leaders who make positive impacts in the community
- Create curricular connections to support and facilitate academic success
- Provide a safe, supportive, and civil environment for all students
- Provide quality and accessible facilities to address growing service and programmatic needs of the student body
- Increase undergraduate student retention by creating a more inclusive and supportive environment that fosters a sense of connectedness to the University
MISSIONS AND VALUES

**Integrity**
We model and practice the highest personal and professional standards, demonstrating ethical conduct in our work with all university community members.

**Diversity**
We are committed to supporting an equitable environment that respects and celebrates the diversity of people and thought.

Upward Bound, funded by the U.S. Department of Education, provides fundamental support to participants in their preparation for college entrance. The program provides opportunities for participants to succeed in their precollege performance and ultimately in their higher education pursuits. Upward Bound serves high school students from low-income families and high school students from families in which neither parent holds a bachelor’s degree. The goal of Upward Bound is to increase the rate at which participants complete secondary education and enroll in and graduate from institutions of postsecondary education. The Upward Bound Program serves 50 participants yearly at 3 Mobile County Public Schools. Target schools are C.F. Vigor High School, Mattie T. Blount High School, and Lillie B. Williamson High School.

CAMPUS RECREATION & WELLNESS

Daphne Tyson, Director

WHAT WE DO

WE EDUCATE

- Managed and promoted the JagFit Wellness Program for the university community which offers advice, articles, challenges, and opportunities in the area of personal wellness and well-being.
- Certified USA students, staff, and faculty in CPR/AED and First Aid.
- Presented information to new freshmen in First-Year Experience classes about our offerings and benefits of participation.
- Hosted Continuing Education fitness workshops.
- Trained and certified lifeguards and provided adult and child swim lessons.
- Provided leadership training through exercises, guest speakers, and hands-on achievement programs to the more than 125 student staff members within the Department of Campus Recreation.
- Hosted blended high school and university sports officiating training programs.

WE PARTNER

- Teamed up with the "Many More Miles" community campaign and collected used running shoes for the homeless outreach programs.
- Partnered with the AHSAA to provide sports officiating clinics for area high school and college officials, as well as USA intramural student officials.
- Teamed up with the Archaeology Museum to offer group fitness classes as a way to promote personal wellness in a multi-departmental platform.
- Incorporated presentations into our summer camps from the Marine Mammal Sighting Network, USA Radiology Department, the Archaeology Museum, and Global USA.
- Partnered with Passage USA offering live job experience at the Student Recreation Center to students with disabilities.
- Partnered with the SAMMBA (South Alabama/Mississippi Mountain Bike Association) in maintaining over 75 acres of on campus bike trails.

WE IMPROVE

- Campus recreation leads the university wellness initiative on improving the health and well-being of our campus through the JagFit program for USA employees.
- Oversaw the operation of a 30-acre, lighted Intramural Complex. The site includes six lighted multi-purpose fields with bleachers and a walking track. The Intramural Fieldhouse is designed to provide a space for large group and team meetings.
• Led dozens of Outdoor Adventure trips within the Mobile area, as well as the southeast United States. The trips included experiences in canoeing, camping, white-water rafting, hiking, rock climbing as well as other outdoor adventures.

• Led 160 free group fitness classes per week for our USA students, staff, faculty, and alumni. The classes are designed to accommodate every skill and physical fitness level.

• Hosted a children’s summer camp for both Mobile and university community members. The week-long camp ran from June through July. The kids and parents alike enjoyed the programming that physically engaged the children with activities including rock climbing, swimming, sports and games and lunch in the university cafeteria.

• Provided a physical and social outlet for our USA students with a host of organized intramural leagues including flag football, basketball, soccer, volleyball, softball as well as numerous other sports and games. The Intramural Sports program is open to students, faculty/staff, and alumni of USA.

STATISTICS

• Hosted over 210,000 visitors to the Student Recreation Center. Our members include approximately students, as well as 5,400 faculty/staff and alumni members.

• Over 1,500 Jaguars participated in South Sports programs. 285 Intramural teams were created and 645 games were played.

• 11,500 participants attended group fitness classes throughout the year.

• Our summer camps hosted 280 kids in week long games, activities, and fun.

• Hired a new Coordinator of Outdoor Adventures and Rock Wall.

• We employed over 125 student and graduate students.

WE MANAGE

The Department of Campus Recreation manages and maintains many facilities throughout our USA campus footprint.

• The $37 million-dollar, 177,000 square foot Student Recreation Center which contains: a rock wall, indoor lap pool, outdoor recreational pool, basketball courts, indoor soccer court, racquetball courts, cardio theater, weight room, and fitness studios.

• A multi-million-dollar Intramural Field Complex with a 4,000 square foot fieldhouse and six lighted, multipurpose playing fields.

• The SGA Sports Complex and Pavilion.

• Over 60 acres of USA Bike Trails.

• The 18-hole USA Disc Golf Course.

• The 100-acre Glenn Sebastian Nature Trail.

• The mile and a half lighted Jag Fitness Trail with three fitness stations around the scenic USA lake.

• The Outdoor Adventures Cabin which provides rental gear like kayaks, canoes, stand up paddle boards, tents, trial bikes and much more.
USA STUDENT HEALTH CENTER

The Student Health Center (SHC) at the University of South Alabama provides efficient and cost effective healthcare services relevant to the needs of the University Community. We strive to accomplish this through health education, health promotion and primary medical care.

The Student Health Center is staffed with fully licensed, professional healthcare providers who specialize in providing services to the college age population. We also believe that there is more to creating a healthy campus than just taking care of sick students. Wellness programs and assistance in the management of many conditions are available at your student health center. Walk-in visits are encouraged for any acute or non-emergent visit. However, there are certain issues that we prefer that students make an appointment (e.g. annual physicals, GYN examinations, prescription medication maintenance and chronic or ongoing conditions). To avoid unnecessary waits, students are encouraged to call 460-7151 to make an appointment.

Walk-in services are available during all hours of operation for non-emergency illnesses. It is important to know that waiting times will vary depending on how busy we are and the availability of staff. We suggest that students come early in the day and bring some reading material or class work to help you pass the time.

SERVICES WE OFFER

- Allergy
- Immunizations
- Psychiatric Services
- Travel Medicine
- Primary Care
- Laboratory Tests
- Sexual Assault Care
- Physicals
- Women’s Health

STATISTICS

- 12,977 Appointments were made at the Student Health Center in the 2021-2022 Academic Year
- Over 4,500 Immunizations given including 1,550 COVID Vaccines and over 700 Flu Shots
- Over 500 Flu shots were given to employees at the employee drive-thru flu clinic

The Student Health Center assists the University to ensure that all incoming students are compliant with the University Immunization Requirements. The required immunizations are available at the Student Health Center.

HEALTH EDUCATION AND EVENTS

The Health Education and Wellness Program is dedicated to collaborating with the University of South Alabama students, faculty, and staff in improving the knowledge, attitudes and behaviors regarding the health of students. The purpose of this program is to promote a healthy campus environment through student focused programs and to inform students regarding health-related issues and community resources that are available. The Health Education and Wellness Program hopes to foster student empowerment to make healthy lifestyle choices and to enhance quality of life.

EDUCATIONAL EVENTS

**Jag Health and Wellness Fair** - Free Flu and COVID Vaccines, and STD testing by partnering with Shell Health, Life South Blood Drive, Smoking Cessation Education, free t-shirt and snacks, and education on health insurance and immunizations

**HIV Vodcast** - Education on sexual health, including HIV/AIDS

**Great American Smoke Out** - Smoking Cessation Education

**Finals Frenzy** - Relaxation and stress-reducing tips, free snacks and drinks

ACCOMPLISHMENTS

**Accreditation Association for Ambulatory Health Care, Inc.**
The SHC continues to be accredited by the Accreditation Association for Ambulatory Health Care, Inc. (AAAHC). We have been accredited since 2013 and were granted another three-year accreditation term in March 2021. This is widely known as a distinctive mark of quality of care, which assures students that the facility meets expected standards of care.

**University of South Alabama Student Affairs Outstanding Team Award**
The SHC received the 2021-2022 Outstanding Team Award, an annual award given to a department, committee, or special project group within the Division of Student Affairs that displays a high amount of group cohesiveness in service toward shared goals to create high quality outcomes, such as improved services, programs, or opportunities for students and other stakeholders.

**HEART Project (Sexual Violence Recovery)**
The SHC participated in the development of the HEART Project on campus. The HEART Project "seeks to assist undergraduate and graduate students when they experience sexual violence of any kind. Sexual violence includes not only rape, but also attempted rape, fondling or unwanted sexual touching, and/or being forced to perform a sexual act such as oral sex". Students may choose to be seen by a Sexual Assault Nurse Examiner (SANE) at the Student Health Center for medical Care and may choose to have a sexual assault evidence kit collected.
The University Counseling and Testing Center (UCTC) provides confidential, free counseling and crisis intervention services to eligible USA students and consultation, training and outreach services to members of the USA community. It also serves as a regional testing center and conducts the administration of the American College Test (ACT), graduate and professional school entrance examinations, College Level Examination Program (CLEP) tests and selected occupational certification tests and correspondence exams. The professional staff of UCTC includes the Director, Associate Director, Substance Abuse Prevention Coordinator Licensed Professional Counselors, Coordinator of Testing Services, and Secretary. The staff also includes doctoral and master's level interns.

Dr. John Friend, Director

STATISTICS

- Began administration of the ACT following the closing for COVID. Numerous changes have been made to the Test Management System platform. Testing supervisors and proctors were trained to use the new system and implement supervisory changes in the test administration.
- PROV testing restarted after closure. Multiple changes to the Valhalla platform were implemented.
- Several CLEP Literature essay exams were administered for USA and English composition Modular essay exams for University of Alabama at Birmingham.
- Testing Coordinator became certified as a FLATS (Foreign Language Achievement Testing) supervisor.
TRAINING/GRAD STUDENT PROGRAM

- Completed a successful training program year by training four masters' students from the College of Education's counseling program and one doctoral student from the USA CCP psychology program.
- Updated the Practicum Student Trainee Orientation Program.
- Trained students in CAMS assessment treatment of suicidality.
- Students were educated in Motivational Interviewing, Acceptance and Commitment Therapy, Body Neutrality, Impersonal Process Therapy, and LGBTQ+ awareness and support.

OUTREACH

- Developed and disseminated to the campus community a model outlining a holistic campus-wide approach to mental health.
- Collaborated with the HEART project as an integral part of USA's first Sexual Assault Response Team
- Continued the development of the UCTC website design that focused on providing additional resources to USA students.
- Continued outreach efforts through collaboration and partnerships with a number of campus entities including Academic Success, SGA, Student Health, and Housing to provide mental health resources and information to the USA community.
- Created and conducted a new initiative with Residence Life in Fall 2021 on three topics - ADHD, depression, and family issues and holidays.
- Secured grant funding and on-boarded Kognito for a five year period. Kognito is an interactive, evidence-based tool designed for students, faculty, and staff that focuses on increasing knowledge and awareness about mental health and suicide, identifying warning signs of psychological distress, and building skill in how to lead conversations with students in distress.
- Secured HEERF funding to apply for JED Foundation campus designation and recently have been awarded a scholarship through the Morgan Stanley fund to participate in the full 4-year JED campus program.
- Trained 2 cohorts of JSSNs Fall 2021 (6 students) and Spring 2022 (6 students)
- Continued to utilize JSSN to provide outreach initiatives to students and to gather feedback from students on their unique needs.
- Collaborated with Altapointe’s Behavioral Health Crisis Center leadership to develop a procedure for rapid access by USA students.
The University of South Alabama department of Housing is committed to providing safe, reasonably priced, well-maintained residence halls and interacting with students in a courteous and efficient manner. We endeavor to support the academic mission of the University by creating purposeful residential communities that are conducive to the academic and personal success of students.

The USA Housing Office is comprised of approximately 23 full-time staff along with 2 graduate assistants and more than 60 undergraduate students within our 4 distinct functional units. We implemented the First-Year Residency Policy, welcomed new staff, hosted a successful move-in experience in collaboration with other campus areas, and continued providing exceptional customer service and memorable experiences for residential students. Key accomplishments include: the addition of 3D floor plans and virtual reality tours of residence hall spaces, expansion of communication options with students through text messaging and website live chat, enhancing outdoor/building signage to better direct residents and campus visitors, installation of new flooring in Beta apartments and HVAC upgrades in Gamma apartments.

OFFICE OF STUDENT CONDUCT

The Office of Student Conduct is designed to promote, manage, and maintain a safe and thriving campus community conducive to academic excellence. University policies and standards are balanced with the educational development of its individual students by strengthening the concepts of social justice, global consciousness and citizenship, proper decision making, conflict management and resolution, restoration, civility, respect for self and others, accountability, integrity, and ethical development.

WHAT WE DO

The Office of Student Conduct, along with the University Disciplinary Committee (UDC) is tasked with providing effective, efficient, fair, and consistent due process procedures; investigating allegations of misconduct; adjudicating cases; resolving non-academic disciplinary matters; and, when necessary, imposing sanctions for violations of the Code of Student Conduct published in The Lowdown.

HIGHLIGHT

78% of cases in 2022 were resolved through an informal hearing process.

WE VALUE

- Transparency
- Equity
- Fairness
- Consistency
- Individual Student Rights

OUR PHILOSOPHY

When students act discordantly with values identified in The Lowdown (student code of conduct) and other university policies, they have an obligation to repair harm caused to the community and its members. The Office of Student Conduct uses educational measures to our campus community to resolve the broken relationship and to guide the student or organization back into good standing with the university. These measures are intended to reshape the student’s or organization’s understanding of the values identified in The Lowdown and our community. The student conduct process includes victims (complaintants/impacted parties), offenders (respondents), and members of the community (affected parties) collaborating to hold offenders accountable for their actions.

OUR GOALS

- Resolve complaints promptly and in an equitable manner
- Help respondent to accept and acknowledge responsibility for their offenses
- Help students find solutions to repair the harm they caused to victims and the community
- Work to reduce the risk of re-offense through reintegrating the offender back into the University community by (re)building positive social ties to the community.
