RESOLUTION

SALE AFTER PUBLIC ANNOUNCEMENT FOR REQUESTS FOR PROPOSALS FOR THE SALE OF USA KNOLLWOOD HOSPITALS, MEDICAL OFFICE BUILDINGS ONE, TWO, THREE, AND FOUR, WITH FURNISHINGS AND EQUIPMENT AND ADJACENT ACREAGE

WHEREAS, the University of South Alabama (USA) owns two hospital buildings, previously known as USA Knollwood Hospitals, as well as interest in four professional office buildings on the Knollwood campus known as Medical Office Buildings One, Two, Three, and Four, and certain attendant furnishings and equipment, (Knollwood Campus) and approximately seventeen acres adjacent to the Hospitals (collectively, the Parcel), all of which have been utilized by USA, either directly or through lease, to provide not only health care services and related resources to the people of Mobile and surrounding communities but, also, a site for education and research activities of USA's Colleges of Medicine, Nursing, and Allied Health Professions; and

WHEREAS, in 2005 the University of South Alabama determined that leasing its assets on Knollwood Campus as described above, with the exception of the additional acreage, was in the best interest of the University in that it would allow USA to continue to enhance its valued missions of health care education, research, and service on the Knollwood Campus; and

WHEREAS, effective December 16, 2005, and commencing April 1, 2006, Infirmary Health Hospitals, Inc. (IHH) leased all of the above-described Knollwood Campus assets owned by USA, renaming it Infirmary West, for a period of 50 years, with the option to renew for another term of 49 years, during which time it would work to enhance the clinical services currently offered and increase the number of community based primary care physicians and medical specialists on the medical staff to serve the community need; and

WHEREAS, because USA could adequately continue its mission without owning the above-described property, it has considered the sale of its interest in same; and

WHEREAS, IHH, while continuing to lease the property from USA, totally ceased the hospital operations of Infirmary West in October 2012, indicating that the Affordable Care Act was a significant contributing factor; and

WHEREAS, due to the unique nature of the property as described in the Declaration of Best Interest attached hereto, including the cessation of hospital operations, the uncertainty of continuation of the lease by IHH, the costly nature of the property whether operating as a hospital or not, and the distance of this property from the current center of operation of the USA Health System and Colleges of Medicine, Nursing, and Allied Health Professions, USA believes it to be in the best interest of the University and the State of Alabama to proceed with the sale after engaging in negotiations following the public announcement of requests for proposals for the sale of the Parcel; and

WHEREAS, the only proposal received for the purchase of the Parcel was from Infirmary Health System, Inc., an Alabama nonprofit corporation, for the sum of Five Million and 00/100 Dollars (\$5,000,000.00) in payments as described on the Purchase and Sale Agreement, attached hereto, which has been reviewed and found to be economically justified and in the best interest of the University to accept as evidenced by the attached Declaration;

BE IT THEREFORE RESOLVED that the University of South Alabama Board of Trustees, having considered the above and determined that the sale of USA's interest in the USA Knollwood Hospitals (Infirmary West), Medical Office Buildings One, Two, Three, and Four, as well as equipment and furniture located in the hospital buildings, and the adjacent approximately seventeen acres to Infirmary Health System, Inc. after negotiation subsequent to publicly announcing requests for proposals for the sale is in the best interest of the University of South Alabama and the State of Alabama, hereby ratifies the attached Declaration and authorizes the President of the University to proceed with the sale.

Declaration of Best Interest

To:

USA Board of Trustees

From:

John W. Smith, Acting President

Re:

Sale of Knollwood Hospitals and Property

Date:

June 6, 2013

As stated in the Declaration of Best Interest submitted to the Executive Committee of the Board of Trustees on May 9, 2013, the University of South Alabama (USA) leased the former USA Knollwood Hospitals, including all hospital buildings, professional office buildings, improvements and certain equipment, fixtures, furnishings and other personal property (the Hospitals) to Infirmary Health Hospitals, Inc. (IHH), who then renamed the campus "Infirmary West," commencing on April 1, 2006. That lease was for an initial lease term of 50 years with an automatic renewal for an additional 49 years. At the inception of the lease, USA received a payment of \$7,800,000. The lease called for lease payments ranging from \$1,000,000 annually to \$1,500,000 annually through lease year 30. Through March 31, 2013, USA has received total payments (upon execution of the lease and monthly thereafter) of \$12,800,000 from IHH. Additionally, over the 5-6 years immediately prior to the inception of this lease, USA experienced significant losses with respect to the operation of the Hospitals.

As discussed at the May 9, 2013, meeting of the Executive Committee of the Board of Trustees, many factors were considered by the administration with respect to whether and how to sell the Parcel, including: While the lease provides for a rental stream currently, it is subject to termination by IHH in certain circumstances, including changes in any law which may negatively impact the operation of the Hospitals (when IHH announced the closing of the Infirmary West in October 2012, officials indicated that the Affordable Care Act was a significant contributing factor in their decision); the two hospital buildings (except for one USA physician clinic) are currently closed; the hospital operations of the two hospital buildings have ceased; the cost of operating the Hospitals, or even maintaining the closed facilities should they revert to USA would be cost prohibitive in the current climate; the hospital buildings and the physician office buildings, which are currently being leased back by IHH to the USA Health Services Foundation, are now remote to the bulk of the operations of the University of South Alabama Health System and the Colleges of Medicine, Nursing, and Allied Health Professions; and major plant deficiencies in the Hospitals (including HVAC systems, elevators, roofs, walls, telephone and others) could require a multimillion dollar

investment. Finally,the administration determined that USA can adequately continue its mission without owning the Hospitals or the approximately 17 acres of adjoining land which USA originally designated as the site for the USA Mitchell Cancer Institute.USA's administration supports the sale of USA's interest in the Hospitals and property (collectively, the Parcel).

The Executive Committee of the Board of Trustees of the University approved making a publicly announced request for proposals for the sale of the Parcel at its meeting on May 9, 2013. Through a real estate broker, such an announcement was placed in the Mobile Press Register. In response to the request, the University received one proposal. The Infirmary Health System, Inc. submitted a Purchase and Sale Agreement, which was then negotiated, resulting in the Purchase and Sale Agreement (Agreement) attached hereto.

Therefore, after much consideration of the unique nature of the Parcel and the unique set of circumstances set forth above, as the agent of USA as designated by the Board of Trustees, and consistent with USA's land sale/lease policies and procedures and the applicable statute, I hereby declare that it is economically justified and in the best interest of the University of South Alabama and the State of Alabama to sell the Parcel for the reasons stated above, and would recommend the sale be made to Infirmary Health System, Inc., pursuant to the attached Agreement.

STATE OF ALABAMA

THIS PURCHASE AND SALE AGREEMENT (the "Agreement") is made and entered into as of the Effective Date (as hereinafter defined) by and between Infirmary Health System, Inc., an Alabama nonprofit corporation (the "Buyer"), and the University of South Alabama, a public body corporate pursuant to the laws of the State of Alabama ("Seller").

- 3. <u>Title Commitment; Survey.</u> (a) Buyer shall have until the end of the Inspection Period (as defined in Section 5 hereinbelow) to obtain an Owner's Commitment for Title Insurance (the "Title Commitment") from Surety Land Title, Inc. in Mobile, Alabama (the "Title Company"), which shall set forth the status of title to the Real Property and shall show all Encumbrances and other matters affecting the Real Property.
- (b) Buyer shall have until the end of the Inspection Period to obtain and examine a survey (the "Survey") of the Real Property, at Buyer's expense.
- (c) If the Title Commitment or the Survey fails to show indefeasible fee simple title to the Real Property to be in Seller, free and clear of liens or other encumbrances or matters which would have a material impact upon Buyer's use of the Property, in Buyer's reasonable discretion, then Buyer shall give Seller written notice thereof prior to the expiration of the Inspection Period, specifying Buyer's objections to the status of the Real Property (the "Objections"), if any. If Buyer gives such notice of Objections to Seller, Seller may, but is not obligated to, cure the Objections. In the event Seller elects not to cure said Objections, Seller shall provide Buyer with written notice of same at least seven (7) days prior to Closing.
- (d) If Buyer gives such notice of Objections to Seller and Seller does not cure the objections and cause the Title Commitment and/or Survey to be amended to give effect to matters that are cured or are to be cured on or prior to the Closing, then Buyer shall have the right to either (i) terminate this Agreement by giving notice thereof to Seller within seven (7) days after receipt of notice from Seller that it is unwilling or unable to cure the Objection(s) and neither party hereto shall have any further rights or obligations hereunder except for any obligations that by their terms expressly survive Closing and/or termination of this Agreement; or (ii) waive the Objections and consummate the purchase of the Property subject to the Objections which shall be deemed to be Permitted Encumbrances. If Buyer does not give notice of termination to Seller as provided above, Buyer shall be deemed to have waived the Objections.
- 4. <u>Closing.</u> (a) The closing (the "Closing") of the sale of the Property from Seller to Buyer shall occur within fifteen (15) days after the expiration of the Inspection Period (the "Closing Date"), at the offices of the Title Company. The parties hereto may agree on such (100007902.1)

other mutually agreeable date for the Closing by written amendment of this Agreement signed by each of the parties hereto, or their respective successors or assigns.

- (b) At the Closing, the following shall occur, all of which shall be deemed concurrent conditions to the Closing of the sale of the Property:
- (1) Seller shall deliver or cause to be delivered to the Buyer, the following:
- (i) A statutory warranty deed (the "Deed"), fully executed and acknowledged by Seller, conveying to Buyer title to the Real Property subject only to the lien for ad valorem taxes, survey matters and the Permitted Encumbrances.
- (ii) An instrument of sale and assignment fully executed by Seller transferring title to all of the Personal Property to Buyer free of all liens and encumbrances.
- (iii) In the event this transaction is subject to any laws providing for the withholding of funds from the sale proceeds for tax liability, Seller agrees that Seller shall be subject to having such funds withheld in accordance with applicable laws unless (i) Seller qualifies for an exemption from any such withholding requirements and (ii) executes such documents required by law to qualify for such exemption and to release the person or entity responsible for collection from liability for failure to do so.
 - (2) Buyer shall deliver or cause to be delivered to Seller the following:
- (i) A certified or cashier's check or such other means of funding acceptable to Seller, payable to the order of Seller in an amount equal to one-half of the Purchase Price (adjusted for the proration of taxes and other assessments).
- (ii) A fully executed promissory note in the amount of \$2,500,000.00 representing payment of the remaining balance of the Purchase Price, secured by a bank letter of credit in the same amount.
- (c) Buyer shall also receive an owner's policy of title insurance ("Title Policy"), at Buyer's expense, issued by the Title Company to Buyer in the amount of the Purchase Price insuring that after the completion of the Closing, Buyer is the owner of indefeasible fee simple title to the Real Property, subject only to the Existing Leases and Permitted Encumbrances, survey matters and the lien for ad valorem taxes, which taxes shall be current.
- (d) Buyer and Seller shall each be responsible for one-half the cost of the title company's settlement or closing fee. Buyer shall be responsible for the cost of the owner's title insurance policy and the recording fees associated with the recordation of the Deed and the cost of the Survey. Each party shall be responsible for its respective attorneys' fees.

(10007902.1)

- (e) All normal and customarily proratable items, including without limitation, any rental payments received or due from tenants occupying any portion of the Property, real estate and personal property taxes, utilities, etc., shall be pro rated as of the date of Closing, Buyer being charged and credited for all of the same on and after such date. If the actual amounts to be pro rated are not known as of the Closing, the proration shall be made at Closing on the basis of the best evidence then available without subsequent adjustment. Any "rollback" taxes or other taxes assessed based on Seller's claiming of current use valuation for the Real Property shall be paid by Seller.
- (f) Upon completion of the Closing, Seller shall deliver to Buyer possession of the Property subject only to tenants which may occupy the Property under Existing Leases and the Permitted Encumbrances.
- 5. <u>Inspections.</u> (a) Buyer shall have the right to go onto the Real Property and to make inspections (the "Inspections") of the Property for a period of thirty (30) days after the Effective Date of this Agreement (the "Inspection Period"). The Inspections may include, without limitation, the right to conduct surveys, test borings, soil analyses, and other tests, inspections and surveys of the Property and any and all improvements located thereon. Seller will reasonably cooperate with Buyer in arranging the Inspections. Seller shall provide Buyer with copies of all leases and other documents, as Buyer may reasonably request, within 10 days of Buyer's request for same.
- (b) If Buyer is not satisfied with the condition of the Property or any other items which are disclosed during the Inspection Period, in Buyer's sole discretion, then Buyer shall have the right to terminate this Agreement by providing written notice of such termination to Seller prior to the end of the Inspection Period. If Buyer fails to deliver any such notice of termination prior to the end of the Inspection Period, Buyer shall be deemed to have approved the Inspections.
- 6. <u>Assignment of This Agreement.</u> Neither party shall be permitted to assign any rights or delegate any duties hereunder without the prior written consent of the other party.
- Real Estate Commissions. Each party represents and warrants to the other that no real estate commissions or other fees are due in connection with the sale contemplated by this Contract except a fee due to John Toomey & Company, Inc. pursuant to a separate agreement entered into between Seller and John Toomey & Company, Inc. (exclusive agent for Seller), which fee shall be paid by Seller pursuant to that separate agreement. Each party agrees to bear any costs or liability resulting from said party's contact with any broker or agent other than as specified herein.

- (e) To the best of Seller's knowledge, there are no outstanding Hill-Burton obligations or loans whatsoever with respect to the Property and, to the best of Seller's knowledge, the sale of the Property will not trigger any such obligations on behalf of the Buyer.
- (f) To the best of Seller's knowledge, there is no litigation pending or, to Seller's knowledge, threatened against Seller or any basis therefore that may arise out of the use or ownership of the Property or that might detrimentally affect the use or operation of the Property or the value of the Property, or adversely affect the ability of Seller to perform its obligations under this Agreement.
