# MEGA-MUSICAL CHAIRS

## 2019

The 7th Annual Mega-Musical Chairs Fundraiser, sponsored by Alpha Epsilon Delta, the largest student organization on campus with over 400+ active members, is coming back to the University of South Alabama bigger and better than ever before on October 2019! The fundraiser where YOU play for YOUR charity! Not only will the fundraiser allow players to enjoy themselves and play a competitive game of musical chairs, but it will also foster friendly competition and philanthropic engagement between some of the campus's biggest organizations.

ALL proceeds of the fundraiser go to the WINNER'S non-profit charity of choice! You may wonder, "Why not play for one philanthropy rather than letting the winner choose the charity?" The ideology behind the fundraiser is to underscore an understanding that adversity and exploitation are ongoing international problems. Through this event, we hope to educate students on the duties and obligations required of all future leaders while also teaching them vital lessons on cultural competency and international issues.

Mega-Musical Chairs was awarded with the prestigious international award for Student Driven-Program of the Year at the 2016 ACUI Annual Conference in New Orleans, LA. In April, the University of South Alabama awarded the fundraiser with Outstanding Student Program of the Year at the 2016 Student Leaders Awards Banquet. The 2016 Mega-Musical Chairs served as the first student component of JaguarsCare National Day, an initiative of the USA National Alumni Association.

The fundraiser has been featured on television and in articles on WKRG, Local 15 TV, AL.Com, and University of South Alabama publications (website, Facebook page, Vanguard). The event's website (<https://www.southalabama.edu/org/aed/megamusicalchairs.html>) contains additional publication information.

We hope you will do your part in bringing our vision to life. Your sponsorship of the 7th Annual Mega-Musical Chairs would provide South students with a unique vantage point from which they can gain a better understanding of the human suffering that exists outside of our state and country. We hope you will take the time to review this packet and consider partnering with us to make the 2019 Mega-Musical Chairs Fundraising Event the biggest and best yet!
