SUBJECT: Academic Computing Committee 2023-2024

I am pleased to invite you to serve on the University Academic Computing Committee for the 2023-2024 academic year. Jamie Adams will serve as Chair and will notify you of meetings. The committee charge is given below:

Recommends and advises on the computer services to the academic units and serves as a liaison between faculty, students, and computer center personnel. The primary purpose of this committee is to provide a regular review of the current services and those planned which would impact teaching and research in all academic areas. The committee regularly meets to provide information relative to new program planning and research projects. This committee will function as a subcommittee to the Information Services Strategic Governance Committee.

The work of the University Standing Committee is vitally important to the University. Please accept my appreciation for your willingness to serve. If, for any reason, you are unable to serve, please let me know.
